The Joint Planning Policy Committee received the Wales Audit Office's letter and approved the Annual Governance Statement for 2013 – 14 and the official Annual Return for 2013 – 14 Accounts and Audit.

It was noted the final report would be presented to the Committee as part of a package of audit reports for the Joint Committee.

The Chairman certified the return.

**6. THE JOINT LOCAL DEVELOPMENT PLAN TIMETABLE**

A report was presented about the timetable to prepare the Joint Local Development Plan by the Joint Planning Policy Unit's Manager. It recorded in Appendix 1 that specific factors had impacted on the progress to prepare the Deposit Plan for public consultation.

A revised timetable was presented, which required both Councils' agreement before submitting it to the Welsh Government for its

support. The aim now is to conduct a public consultation about the Deposit Plan during February and March 2015.

The Joint Planning Policy Committee supported the revised timetable. Appropriate steps would be taken to obtain each Council's approval of the revised timetable.
