## **AGENDA**

**1. APOLOGIES FOR ABSENCE**

To receive any apologies for absence.

**2. DECLARATION OF PERSONAL INTEREST**

To receive any declaration of personal interest.

**3. URGENT BUSINESS**

To consider any items which are urgent matters in the opinion of the Chairman.

**4. MINUTES**

The Chairman will propose that the minutes of the meeting of this committee, held on 8 October, 2014, be signed as a true record. (copy herewith – **yellow** enclosure).

**5. MARITIME SERVICE REPORT**

To submit a report by the Maritime and Country Parks Officer. (copy herewith – **blue** enclosure)

**6. DATE OF THE NEXT MEETING**

To note that the next meeting of the Porthmadog Harbour Consultative Committee will be held on 14 October 2015 subject to confirmation by the Full Council.

## PORTHMADOG HARBOUR CONSULTATIVE COMMITTEE 08/10/14

---

**PRESENT:** Councillor Alwyn Gruffydd (Chairman)  
Councillor Selwyn Griffiths (Vice-chairman)

Councillors: Jason Humphreys (Gwynedd Council), along with Messrs Gwyn Davies (Porthmadog Town Council), Dr John Jones-Morris (Leisure Interests Representative), Robert Owen (Commercial Interests) and Peter Lunt Williams (RNLI).

**Cabinet Member:** Councillor John Wynn Jones (Cabinet Member for the Economy)

**ALSO PRESENT:** Barry Davies (Maritime and Country Parks Officer), Llŷr B. Jones (Senior Manager Economy and Community Department), David O'Neill (Harbour Master) and Bethan Adams (Member Support and Scrutiny Officer).

**1. CHAIRMAN**

**RESOLVED to re-elect Councillor Alwyn Gruffydd as chairman of this committee for the year 2014/15.**

**2. VICE-CHAIRMAN**

**RESOLVED to re-elect Councillor Selwyn Griffiths as vice-chairman of this committee for the year 2014/15.**

**3. DECLARATION OF PERSONAL INTEREST**

No declarations of personal interest were received from any members present.

**4. MINUTES**

The Chairman signed the minutes of the previous meeting of this Committee, held on 5 March 2014, as a true record.

**5. MARITIME SERVICE REPORT**

**a) Harbour Consultative Committees**

It was noted that steps had been taken to try to confirm the membership of the Consultative Committees of Barmouth and Aberdyfi Harbours, but as the Porthmadog Consultative Committee had been established under the Porthmadog Harbour Review Order 1998, therefore the membership of this Committee was more definite.

In response to an observation by a member regarding membership, the Maritime and Country Parks Officer noted that no formal response had been received from Porthmadog Town Council including the legal advice that they had received. It was emphasised that it was the Town Council that nominated a representative on their behalf as a co-opted member on this Committee.

**RESOLVED to send a letter to Porthmadog Town Council explaining the situation.**

**b) Minutes of a Previous Meeting**

Members' attention was drawn to the minutes of the meeting of the Consultative Committee held on 10 October, 2012. It was noted that the minute under the heading 'Safety' had

misinterpreted the discussion at the meeting where there had been a discussion on misbehaviour in the area around the harbour and an accident.

It was explained that the boy's mother had been in contact regarding the matter and she had expressed dissatisfaction with what had been recorded. It was emphasised that the accident where her son had been injured by a boat propeller had not been as a result of misbehaviour. It was emphasised that Members of the Committee were required to thoroughly examine the minutes and propose corrections prior to confirming the minutes.

**RESOLVED:**

- (a) That the Maritime and Country Parks Officer should contact the boy's mother regarding the misunderstanding;**
- (b) To send her a copy of the minutes of this meeting once they have been confirmed.**

**c) Ports Marine Safety Code**

The Senior Manager Economy and Community Department explained that a new procedure had been adopted in respect of Harbour Consultative Committees with the Ports Marine Safety Code one of the main drivers. It was noted that annual reports would go before the Cabinet and the Consultative Committee would be the forum for raising matters or highlighting concerns under the Ports Maritime Safety Code.

It was noted that copies of the Code had been distributed and a request was made that a further electronic copy was sent to the members.

**RESOLVED that the Maritime and Country Parks Officer sends an electronic copy of the Ports Maritime Safety Code to the members.**

**d) Harbour Staff**

It was noted that following the retirement of the Maritime Officer – Harbours, that the summer had been extremely challenging with the workload shared between the existing staff of the Service.

It was reported that the Harbour Master would be leaving his post soon to take the post of Harbour Master in Caernarfon with the Harbour Trust. He was thanked for his contribution over the years and this had contributed substantially to the improvements in the harbour's standards.

It was noted that the posts of the Harbour Master and the Maritime Officer – Harbours would be advertised in the near future.

Members expressed their appreciation of the Harbour Master's work and they wished him well.

The Maritime and Country Parks Officer elaborated on the work programme of the Service for the winter.

**e) Parking Safety Issues**

It was noted that the Commercial Interest Representative had drawn attention to the difficulties that vehicles faced in gaining access because individuals parked on the apex near the Sailing Club. In response to the observation, the leisure interest representative noted that the Sailing Club was responsible for half of the road and that he would raise the matter at the meeting of the Sailing Club committee.

A member noted that the Council should be involved with discussions regarding the matter. In response, the Maritime and Country Parks Officer noted his willingness to be part of the discussions and that he would contact other officers in the Council regarding the matter.

**RESOLVED that the Maritime and Country Parks Officer will hold discussions with regard to parking safety issues near the Sailing Club.**

**f) Navigation and Moorings**

It was reported that following misbehaviour, boats had been forced to launch from the launch site located near the main entrance of Morfa Bychan beach rather than Cwt Powdwr, in order to ensure the safety of all users. It was noted that the situation had improved but it was not a complete resolution, therefore staff would continue to deal with incidents of misbehaviour.

A member thanked the officers for forcing boats to be launched from this point as there had been an improvement in the situation and this should be continued.

It was noted that Trinity House had undertaken a survey of the navigation aids and had given two warnings of a lack of compliance. It was explained that the warnings had been removed as a result of collaboration with Trinity House on a solution.

It was reported that it was intended to undertake a further survey of the moorings early in 2015 with a process of applying for estimates for the work in the pipeline.

**g) Statistics**

It was reported that the situation regarding the number of boats was consistent with the trend in all the harbours with three fewer boats in Porthmadog compared with last year.

The Maritime and Country Parks Officer noted that the list of the details of boats was unclear in the agenda because of the dark background of the table and he would distribute the information electronically to the members.

**RESOLVED that the Maritime and Country Parks Officer sends the details of boats in Porthmadog Harbour to the members electronically.**

**h) Budgets**

The Maritime and Country Parks Officer elaborated on the final budget of 2013/14, noting that a substantial investment had been made in chains and moorings. It was noted that the pay and display machine in the Harbour Office car park had generated an income of £5,609.97 and this had produced a heartening final budget of £6,623.

An update was provided of the budgetary position at the end of Quarter 2 of the 2014/15 financial year. It was noted that the target income for the year had nearly been achieved but as it was not intended to charge for parking in the car park near the Harbour Office over the winter period, there would be no substantial income during this period. The Officer added that he was confident that they would be in accordance with the budget at the end of the current financial year.

**i) 2015/16 Fees**

It was reported that it was proposed to increase fees in 2015/16 in line with inflation.

**j) Proposed Pontoon Plan**

The Maritime and Country Parks Officer noted that the Harbour Master had examined the possibility of installing pontoons in the harbour. It was added that there was a possibility that stakes could be installed in the harbour but a funding method had not been identified thus far. It was noted that it was proposed to hold further discussions regarding installing a pontoon near the side of the harbour wall with the Sailing Club.

In response to an observation by a member regarding the Sailing Academy in Pwllheli, the Maritime and Country Parks Officer noted that he was confident that this exciting development would create opportunities for other harbours as well as benefits for the wider area.

A member emphasised the importance of marketing/promoting the other harbours along with Pwllheli Marina.

**k) Dredging**

In response to a question from a member regarding dredging the harbour, the Senior Manager Economy and Community Department noted that the environmental processes associated with dredging were costly and lengthy. He added that there was a need to work with nature to find a solution especially in the current economic climate.

A member noted that the option of placing something on the bridge to try to resolve the silting problem in the harbour should be examined. In response, the Maritime and Country Parks Officer noted that he would make informal enquiries in to the matter.

**l) Water quality**

It was reported that the quality of the bathing water in Morfa Bychan had reached the requirements but this had not been confirmed formally thus far by Natural Resources Wales (NRW).

In response to a question by a member regarding the Welsh Water consultation in respect of their application to NRW to vary the licence of the Porthmadog Waste Water Treatment Works, the Maritime and Country Parks Officer noted that he had responded noting his objection to stopping the tertiary treatment, namely Ultraviolet (UV) disinfection.

**RESOLVED that the Maritime and Country Parks Officer contacts Welsh Water to seek an update on the situation in respect of Ultraviolet Disinfection Treatment in Porthmadog.**

**6. Next Meeting**

It was noted that the next meeting would be held on 4 March, 2015.

The meeting commenced at 5.30pm and concluded at 6.55pm

# ***Pwyllgor Ymgynghorol Harbwr Porthmadog Harbour Consultative Committee***

# **CYNGOR GWYNEDD COUNCIL**

## **GENERAL CONDITIONS FOR HARBOUR USERS**

### ***MOORINGS ARE ALLOCATED SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS***

1. All applications for a mooring shall be made on the official Council mooring application form.
2. The applicant shall pay the required fees in total to the Harbour Authority by no not later than the 1st of November in each year, except in the case of new applicants when full payment shall be made within fourteen days of acceptance of a mooring.
3. The applicant shall at all times comply with the bye-laws or other directions being in force, a copy of which can be inspected at the Harbour Office. The applicant shall at all times and in all respect comply with the Safety Regulations that are in force and which pertain to the class of vessel in the harbour during the period in which the vessel is moored therein.
4. The applicant accepts and confirms that the mooring that is offered is solely for the vessel named on the mooring application form.
5. The applicant shall not without the proper consent of the Harbour Authority transfer, or sub-let the mooring.
6. The applicant shall accept full responsibility for the proper mooring of the vessel. The applicant is responsible for providing proper and suitable equipment that secures the vessel to the mooring riser/pile. The owner shall notify the Harbour Authority in writing of any damage to any property of the Harbour Authority forthwith, and shall indemnify the Harbour Authority from, and against, all claims, loss, demands, or other expenses arising from such damage.
7. The applicant shall notify the Harbour Authority in writing at least thirty days before the applicant intends to permanently vacate a mooring in the harbour during the season. Any refund of mooring fees is discretionary.
8. The Council will consider refunding mooring fees if the mooring agreement is terminated by the applicant and only if the circumstances for terminating the mooring agreement could not be foreseen and that the circumstance for terminating the agreement was beyond the control of the applicant. The Council will not refund any mooring charges for agreements terminated after the 31<sup>st</sup> August.

If the Council agree to refund any mooring charges, the refund of mooring charges will be calculated by using the 18 month rule, whereby the total annual fee is divided by 18, and each calendar month of April to September inclusive will be calculated at  $2/18^{\text{ths}}$  and each calendar month from October to March inclusive will be calculated at  $1/18^{\text{ths}}$ .

9. The Harbour Authority accepts no liability whatsoever for the death or injury caused to any person, or damage to any property of the applicant or his invitees, agents or employees, or any other persons except where such act involved negligence on the part of the Harbour Authority, their servants, or agent and save as aforesaid the applicant shall indemnify and keep the Harbour Authority against all claims losses or demands or other expenses arising there from.
10. The applicant shall take out third party insurance cover with an insurance company of repute to a sum of a minimum of £2,000,000 and particulars of each policy shall be provided with each application.

13 February, 2015

Dear Sir/Madam,

A number of sea areas around Wales are currently being considered for possible identification as new Special Areas of Conservation (SACs) and Special Protection Areas (SPAs). According to scientific evidence, the areas concerned are considered to support internationally important populations of harbour porpoise and a number of species of seabirds.

The purpose of this letter is to let you know that Natural Resources Wales and the Welsh Government are holding informal 'drop-in days' where interested organisations and individuals can come and find out more about the proposals and discuss them with Natural Resources Wales and Welsh Government staff.

Decisions on whether to designate SACs and SPAs in Welsh waters are made by the Welsh Minister for Natural Resources, and no such decisions have yet been made. If the Minister decides to proceed with these proposals, they will be subject to full public consultation later in the year, before any decisions are made on whether to designate each area.

To start with, we are holding two sessions, one in North Wales and one in South Wales, details of which are given below. We are aware that not everyone will be able to make these initial dates/locations, so we also anticipate holding further events in other locations, such as in mid-Wales, depending on the level of interest. We would also be able, if appropriate, to meet with interested parties on a one to one basis over the coming weeks.

Details of the first two events are as follows:

- Monday 23 February 2015, midday until 7 pm at the Halliwell Centre, University of Wales, Carmarthen, SA31 3EP, Tel: 01267 676638.  
<http://venuewales.co.uk/halliwell-centre-carmarthen/>
- Wednesday 25 February 2015, midday until 7 pm, at Tŷ Menai, Parc Menai, Bangor LL57 4HJ Tel: 01248 675000  
[http://www.parcmenai.com/en-GB/ty\\_menai-63.aspx](http://www.parcmenai.com/en-GB/ty_menai-63.aspx)

Refreshments will be available at both venues, and both have ample parking and are wheelchair accessible.

We would very much like to hear from you if:

- you wish to attend one of these first two drop-in days;
- you are aware of other suitable events already taking place over the next few months (for example community meetings, AGMs and so on) where we could come and outline the proposals and answer questions;
- you would like to suggest an additional meeting in another location.

Please let us know if you would like to be involved, either by phoning Natural Resources Wales on 0300 065 3000 (just ask about the marine SAC and SPA proposals), or by emailing us at [marine.n2k@naturalresourceswales.gov.uk](mailto:marine.n2k@naturalresourceswales.gov.uk) with your name, organisation (if applicable), and a contact telephone number.

Both of the drop-in days are freely open to all, but it would be helpful if you could let us know by phone or email (as above) whether you plan to attend either event. Also, half hour one-to-one discussion sessions with Natural Resources Wales/Welsh Government staff will be available on both days, and it may be advisable to pre-book a slot if you have a preferred time of day. If so please let us know when confirming attendance. We will do our best to accommodate people's preferences, but depending on demand, it may be necessary to share half hour sessions with other participants.

We very much look forward to hearing from you.

Yours sincerely

Rhian Jardine  
Head of Sustainable Communities
