Question 3: How well do the learning experiences meet the needs and interests of learners and the wider community?

Grade 4: Some good features, but shortcomings in important areas

102. The school's provision for pupils' spiritual, moral and social development is good. Adults set good examples and class rules give clear guidelines on behaviour and inter-personal relationships.
103. The provision for collective worship is good. Collective worship is interesting and informs the pupils about moral and spiritual aspects of their own lives and that of others. However, pupils are not given sufficient opportunities to reflect on the main messages.
