Key Question 3: How well do the learning experiences meet the needs and interests of learners and the wider community?

Grade 2: Good features and no important shortcomings

91. The promotion of pupils' spiritual development is outstanding. Collective worship sessions are of a very high standard and offer pupils particularly good opportunities to reflect quietly and thoughtfully on important issues that affect their lives.
92. The provision for promoting pupils' moral and social development is also outstanding. Pupils are given regular encouragement to be caring towards others both within and outside the classroom. The practice of giving older pupils the responsibility of caring for the younger pupils during the day contributes significantly towards this aspect. During play time and lunchtimes, the 'Yard Buddies' shoulder their responsibilities with pride.
