On behalf of the premises: Mr Roland Evans (applicant)

Others invited: Ffion Muscroft (Environmental Health Officer, Public Protection - Gwynedd Council)

a) **The report and recommendation of the Licensing Section**

Submitted – the report of the Licensing Manager giving details of the application for a premises licence for Tŷ Castell, 18 High Street, Caernarfon in relation to the supply of alcohol, live and recorded music and late night refreshments. It was highlighted that the recorded music was only intended as background music and that the live music was occasional, acoustic music. A request was also made for permission to serve late night refreshments and alcohol on bank holidays.

Attention was drawn to the proposed hours in the report. It was noted that the Officers of the Licensing Authority had sufficient evidence that the application had been submitted in accordance with the requirements of the Licensing Act 2003 and the relevant regulations.

Reference was made to measures recommended by the applicant to promote the licensing objectives along with the responses that had been received during the consultation period.

It was noted that two letters had been received objecting to the application on the basis of the licensing objective of preventing public nuisance. Attention was drawn to observations submitted by Gwynedd Council's Planning Department and observations and recommendations of the Gwynedd Council Environmental Health Officer. It was highlighted that discussions had been held with the applicants and the Environmental Health Officer and

that there was agreement now to reduce the hours of licensable activities and to accept noise conditions as part of the licence.

- b) In considering the application, the following procedure was followed:-
- Members of the Sub-committee and the applicant were given an opportunity to ask questions of the Licensing Manager.
 - The applicant was invited to expand on the application
 - Consultees were given an opportunity to submit their observations
 - The licensee, or his representative, was invited to respond to the observations
 - Members of the Sub-committee were given an opportunity to ask questions of the licensee.
 - Members of the Sub-committee were given an opportunity to ask questions of the consultees.
- c) In response to the report, the Licensing Officer was asked if the objectors were aware of the change to the opening hours. The applicant noted that he had discussed the reduction in opening hours with one of the objectors and consequently the objector had welcomed this decision.
- d) In expanding on the application, the applicant noted that he was happy with what had been submitted and the following observations were added:
- That developing Tŷ Castell had been an opportunity to realise a vision
 - That the building had been empty since 1994 - and was a Grade 2 listed building by *Cadw*. Renovating the building would lead to rejuvenating part of the town
 - The intention was to create a tapas restaurant with a Welsh feel - with good quality wines and beers and a 5-bedroom boutique hotel employing up to seven people. It was intended to promote the Welsh language and use local produce
 - Food orders would finish at 9:30pm with the intention of closing the kitchen at 10:30pm and closing the restaurant at midnight.
 - It was not intended to have a noisy bar - there was a need to address the expectations and needs of the guests.
 - The flexibility of the licence hours had now been adapted to be realistic
 - Had received support and enthusiasm from local people
 - Had attended a course to obtain a personal Licence

In response to a question regarding the inability to open the restaurant windows, it was noted that an air-conditioning system had been installed in the kitchen, cellar, toilets, kitchen and bathrooms as well as large windows in the bedrooms for fresh air. In addition, in the context of noise, it was emphasised that light acoustic music only would be played on a small scale e.g. at a cd or book launch.

In response to a comment regarding waste disposal, it was noted that a condition had been included by the Public Protection Service noting that it would not be possible to dispose of bottles or cans outside the licensed premises between 22:00 and 08:00. The applicant added that they had a licence which allowed them to keep waste in a courtyard at the rear of the County Council offices.

A request was made that the applicant ensured that the CCTV system was serviced regularly and that clear, good quality photographs would be available to the Police and the Licensing Service if required.

Letters received stating an objection to the application from RG and SF Coclough and Nia Dryhurst were acknowledged.

The Environmental Health Officer noted that the Department was happy with the agreement to reduce the hours and for the conditions to be included on the licence.

- e) When considering the application, all the evidence submitted was considered, and particular attention was given to the principles of the Licensing Act 2003
- Crime and Disorder
 - Public Safety
 - Preventing Public Nuisance
 - Protection of Children from Harm

RESOLVED to approve the application subject to the earlier hours and proposed conditions in terms of controlling noise and lighting:

The licence was issued as follows:

1. Approve live music indoors (section E of the application) on Monday between 12:00 and 00:00, from Tuesday to Thursday between 18:00 and 00:00, from Friday to Saturday between 12:00 and 00:00 and on Sunday between 12:00 and 22:00.
2. Approve recorded music indoors (section F) from Monday to Saturday between 08:00 and 00:00 and on Sunday between 08:00 and 22:00.
3. Approve indoor entertainment which falls within section H of the application, from Monday to Saturday between 18:00 and 00:00, and on Sunday between 18:00 and 22:00.
4. Approve late night refreshments indoors (section I) from Monday to Saturday between 23:00 and 00:00.
5. Approve the supply of alcohol to be consumed on and off the premises (section J) from Monday to Saturday between 11:00 and 00:00 and on Sunday between 11:00 and 22:00.
6. Opening hours to the public from Monday to Saturday are between 08:00 and 00:30 and on Sunday between 08:00 and 22:30.
7. In relation to all the above-mentioned licensable activities, an extension of 1 hour is granted for the non-standard times, including evenings before bank holidays and bank holidays.
8. The issues that were included in section M of the application (i.e. the operating schedule) are included as conditions on the licence.
9. For clarity, a condition will be added to keep CCTV clips for at least 28 days and for these to be provided on request to the Licensing Authority and the Police.
10. The noise control and lighting control conditions suggested by Environmental Health and agreed to by the applicants will be added.

When considering the objectors' observations, who expressed concern that granting the licence would lead to an increase in people leaving the premises late at night and that this would be relevant to the licensing objective of preventing public nuisance, no explanation or evidence was provided in relation to how an increase in people would necessarily result in an increase in public nuisance. Several people in one place in itself was not evidence of public nuisance. Noise or rubbish problems or similar problems could, in principle, result in public nuisance, but this was not the basis for the observations submitted.

When considering the objectors' observations, who expressed concern that granting the licence would lead to an increase in noise problems late at night, the Sub-committee accepted that noise could, in principle, be relevant to the licensing objective of preventing public nuisance, but the observations were considered to be hypothetical. No evidence was submitted stating that a noise problem tantamount to public nuisance would likely happen should the licence be granted.

It was noted that Environmental Health had submitted observations confirming that there was no objection to the application, but a series of conditions in terms of controlling noise and

lighting was recommended. The Sub-committee accepted that there was agreement between the applicants and the service for these conditions to be included on the licence, should the licence be approved.

For information, it was added that observations in relation to cumulative impact were disregarded. It was reported that the Council did not have a cumulative impact policy and therefore it was beyond the authority of the Sub-committee to make a decision in terms of introducing such a policy. It would be the responsibility of the Central Licensing Committee to decide to introduce a cumulative impact policy, following evidence which would justify creating a policy.

The Solicitor reported that the decision would be formally confirmed to everyone present by letter. He also notified that they had the right to appeal the decision within 21 days of receiving the letter.

5. APPLICATION FOR PREMISES LICENCE - Tŷ GLYNDWR, 1 CASTLE STREET, CAERNARFON

The panel and the officers were introduced to everyone that was present and it was announced that everyone had up to 10 minutes to share their observations on the application.

On behalf of the premises: Mr Rhys Davies (applicant)

Others invited: Ffion Muscroft (Environmental Health Officer, Public Protection - Gwynedd Council)

a) The report and recommendation of the Licensing Section

Submitted – the report of the Licensing Manager giving details of the application for a premises licence for Tŷ Glyndwr, 1 Castle Street, Caernarfon in relation to the supply of alcohol, live and recorded music, dance performance and showing films occasionally and late night refreshments. It was highlighted that the recorded music was only intended as background music and that the live music was occasional, acoustic music which would be played in the cellar.

Attention was drawn to the proposed hours in the report. It was noted that the Officers of the Licensing Authority had sufficient evidence that the application had been submitted in accordance with the requirements of the Licensing Act 2003 and the relevant regulations.

Reference was made to measures recommended by the applicant to promote the licensing objectives along with the responses that had been received during the consultation period.

It was noted that one letter had been received objecting to the application on the basis of the licensing objective of preventing public nuisance. Attention was drawn to the observations and recommendations of Gwynedd Council's Environmental Health Officer. It was highlighted that discussions had been held with the applicant and the Environmental Health Officer and that there was agreement now not to allow entry to the public who were non-residents after 23:30 and to accept noise conditions as part of the licence. Attention was drawn to the observations of North Wales Police which had not been included in the report - the Licensing Officer read out the observations in full.

In response to a question regarding the police observation 'that there were sufficient cameras to record images', the applicant noted that a new CCTV system had been installed with five cameras watching over the public areas.

- b) In considering the application, the following procedure was followed:-
- Members of the Sub-committee and the applicant were given an opportunity to ask questions of the Licensing Manager.
 - The applicant was invited to expand on the application
 - Consultees were given an opportunity to submit their observations
 - The licensee, or his representative, was invited to respond to the observations
 - Members of the Sub-committee were given an opportunity to ask questions of the licensee.
 - Members of the Sub-committee were given an opportunity to ask questions of the consultees.
- c) In expanding on the application, the applicant noted that he was happy with what had been submitted and the following observations were added:
- It was not intended to create a noisy bar - the aim was to create a social bar - a safe place for a chat
 - Accommodation would be available
 - That substantial expenditure had been made on noise mitigation measures
 - That he accepted the noise conditions and the police's conditions
 - Also accepted as a condition that there would be no entry to the public after 23:30
- ch) The Environmental Health Officer noted that good discussions had been held with the applicant and that every effort had been made to reduce noise so as not to affect neighbours. It was confirmed that the conditions had been accepted.
- d) The letter received stating an objection to the application from RG and SF Coclough was acknowledged.
- dd) A request was made that the applicant ensured that the CCTV system were serviced regularly and that clear, good quality photographs would be available to the Police and the Licensing Service if required.
- e) When considering the application, all the evidence submitted was considered, and particular attention was given to the principles of the Licensing Act 2003
- Crime and Disorder
 - Public Safety
 - Preventing Public Nuisance
 - Protection of Children from Harm

RESOLVED to approve the application subject to the additional conditions:

The licence was issued as follows:

1. Approve live music indoors (section E of the application) from Monday to Sunday between 11:00 and 00:00.
2. Approve recorded music indoors (section F) from Monday to Sunday between 11:00 and 01:00.
3. Approve dance performances indoors (section G) from Monday to Sunday between 11:00 and 00:30.
4. Approve indoor entertainment which falls within section H of the application, from Monday to Sunday between 11:00 and 00:30.
5. Approve late night refreshments indoors (section I) from Monday to Sunday between 23:00 and 07:00.

6. Approve the supply of alcohol to be consumed on the premises (section J) from Monday to Sunday between 11:00 and 01:30. Approve the supply of alcohol to be consumed on the premises until 02:00 for private parties.
7. Opening hours to the public from Monday to Sunday are between 07:00 and 02:00 subject to a condition that there would be no entry for the public who are non-residents after 23:30.
8. The issues that had been included in section M of the application (i.e. the operating schedule) were included as conditions on the licence.
9. The conditions recommended by the Police in terms of CCTV will be added as conditions to the licence.
10. The noise control conditions suggested by Environmental Health and agreed to by the applicants will be added.

In considering the concerns submitted by Mr and Mrs Colclough, neighbouring residents, that granting the licence would result in an increase in noise, it was accepted that a noise problem did have the potential of being tantamount to a public nuisance, but no evidence had been provided of the frequency, length, intensity or likely impact of noise incidents which would emanate from approving the licence. Under the circumstances, the Sub-committee was not in a position to state that approving the licence would likely lead to a public nuisance problem. The same consideration was given to the smoking issue.

It was noted that Environmental Health had submitted observations confirming that there was no objection to the application, but recommended a series of conditions in terms of controlling noise. The Sub-committee had been given to understand that the applicant had agreed for these conditions to be included on the licence, should the licence be approved, and had agreed to a condition restricting entry to the public after 23:30. The Sub-committee was satisfied that the application, subject to proposed additional conditions in terms of noise control and restricting late entry, was in-keeping with the licensing objectives.

For information, it was added that observations in relation to cumulative impact were disregarded. It was reported that the Council did not have a cumulative impact policy and therefore it was beyond the authority of the Sub-committee to make a decision in terms of introducing such a policy. It would be the responsibility of the Central Licensing Committee to decide to introduce a cumulative impact policy, following evidence which would justify creating a policy.

The Solicitor reported that the decision would be formally confirmed to everyone present by letter. He also notified that they had the right to appeal the decision within 21 days of receiving the letter.

The Sub-committee noted that it appreciated the work of officers and that both hearings had shown that clear communication made the process easier.

The meeting commenced at 10.15am and concluded at 12:00pm

On behalf of the premises: Mr Ayoub Dohech (applicant) and Ms Nia Jones

Others invited: Ian Williams (North Wales Police), Heather Jones (Fire Service) and Kevin Jones (the owner of a nearby business).

a) The report and recommendation of the Licensing Section.

Submitted – the report of the Licensing Manager giving details of the application for a premises licence for La Cabana, 2 Mitre Terrace, Pwllheli in relation to providing hot and cold food on and off site.

Attention was drawn to the proposed hours in the report. It was noted that the Licensing Authority had sufficient evidence for the application to be submitted in accordance with the requirements of the Licensing Act 2003 and the relevant regulations.

Reference was made to measures recommended by the applicant to promote the licensing objectives along with the responses that were received during the consultation period.

It was noted that one letter had been received objecting to the application based on the licensing objective of preventing crime and disorder. Attention was drawn to the observations submitted by North Wales Police. It was noted that discussions had been held with the applicant and an agreement had been made to change the application to reduce the hours of late night refreshments and opening hours to 02:00 on Friday and Saturday nights. It was also noted that the applicant had agreed to specific conditions in relation to CCTV.

b) In considering the application, the following procedure was followed:

- Members of the Sub-committee and the applicant were given an opportunity to ask questions of the Licensing Manager.
 - The applicant was invited to expand on the application.
 - Consultees were given an opportunity to submit their observations.
 - The licensee, or his representative, was invited to respond to the observations.
 - Members of the Sub-committee were given an opportunity to ask questions of the licensee.
 - Members of the Sub-committee were given an opportunity to ask questions of the consultees.
- c) In expanding on the application, the applicant noted that he was happy with what had been submitted and reiterated the following observations:
- Extensive discussions had been held with the Police and the Fire Service to discuss and anticipate solutions to concerns
 - Saw the property as an opportunity to make business
 - A nearby nightclub was open until 2:30 - did not want to serve food beyond this time therefore it was agreed to close the property at 2:00 in order to ensure that people did not congregate in one place
 - Lived on the High Street and therefore would not want to see any damage to nearby buildings
 - There was an intention to clear up any mess
- ch) In response to a question regarding how they were going to ensure that they closed on time, it was noted that the applicant had a SIA licence (Security Industry Authority). It was reiterated that it would be possible to employ another member on the door if needed - it was a matter of assessing the situation as the business would develop.
- d) An Officer from the Police confirmed that North Wales Police had discussed the application with the applicant before the application was submitted and an agreement had now been reached to close at 2:00 on Friday and Saturday, which was consistent with the opening hours of similar premises. It was also highlighted that the applicant:
- Was prepared to accept comments and for CCTV conditions to be included on the licence.
 - In the context of door supervisors, due to the size of the property, one would be sufficient.
 - Litter agreements had been agreed
 - The applicant refused to let noise and disorder have an impact on nearby residents and businesses.
 - There had been good collaboration with the applicant and the police and therefore, the Police had no objection to the application.
- dd) The consultees present at the meeting took advantage of the opportunity to elaborate on their objections to approving the licence and they reiterated the observations that had been submitted by letter.
- There had been historical problems with the premises
 - It was anticipated that problems with damage and creating a mess in the street would start again
 - He did not want to restore and pay for new window glazing regularly - concerned about the impact on his business
 - People would congregate outside the restaurant, creating noise and disorder
- e) In summarising his application, the applicant noted that it was not his intention to create problems, mess and damage.

- f) In considering the application, the Sub-committee considered the Licensing Officer's report, the application form, the written observations that had come to hand from the interested parties, and the verbal observations presented by all parties present at the hearing. The Sub-committee was also requested to consider the Council's Licensing Policy, the guidance of the Home Office and the principles of the Licensing Act 2003.

Crime and Disorder

- Public Safety
- Preventing Public Nuisance
- Protection of Children from Harm

RESOLVED - to approve the application subject to proposed recommendations agreed upon between the Police and the applicant in terms of CCTV and opening hours

A licence was issued as follows:

1. Late night refreshment provision to eat on and off site will be permitted Monday to Thursday between 23:00 and 01:00, from Friday to Saturday between 23:00 and 02:00, and on Sunday between 23:00 and 01:00.
2. Late night refreshment provision to eat on and off site will be permitted between 23:00 and 02:00 on Sunday nights before bank holiday Mondays.
3. Opening hours for the public from Monday to Thursday between 11:00 and 01:00, from Friday to Saturday between 11:00 and 02:00, and on Sunday between 11:00 and 01:00.
4. Opening hours for the public on Sundays before bank holiday Mondays between 11:00 and 02:00.
5. The matters included in section M of the application (i.e. the operating schedule) were included as conditions on the licence.
6. The conditions suggested by the Police in terms of CCTV will be added as conditions on the licence.

In considering the concerns of a nearby business owner, the licence would mean an increase in people gathering in the vicinity late at night, which would lead to an increase in litter and a risk of criminal damage to his own business. The Sub-committee accepted that in principle, litter could be relevant to the objective of preventing public nuisance. The Sub-committee also accepted that criminal damage could be relevant to the objective of preventing crime and disorder.

However, no evidence was received that issuing the licence would lead to litter problems or criminal damage. The concerns noted were only theoretical. The Sub-committee also noted that although there were a number of other businesses in the area, they had not submitted observations objecting to the application. It was also noted that the Police did not object to the application. If issuing the licence was likely to lead to a litter problem or criminal damage, the Sub-committee would have expected objections from the Police and others.

It was also noted that other licensed establishments in the area was open late, and no evidence had come to hand that the existence of these licenses had led to crime and disorder problems or public nuisance in the centre of Pwllheli.

Under the circumstances, the Sub-committee was satisfied that the application, subject to proposed conditions agreed upon between the Police and the applicant in terms of CCTV and opening hours, was completely in-keeping with the licensing objectives.

The Solicitor reported that the decision would be confirmed formally by letter sent to everyone present. He also notified that they had the right to appeal the decision within 21 days of receiving the letter.

5. APPLICATION FOR PREMISES LICENCE - ZIP WORLD ADVENTURE TERMINAL PENRHYN QUARRY, BETHESDA

The panel and the officers were introduced to everyone who was present and it was announced that everyone had up to 10 minutes each to share their observations on the application.

On behalf of the premises: Mr Andrew Taylor (on behalf of the applicant)

Others invited: Ian Williams (North Wales Police), Heather Jones (Fire Service) and Councillor Dafydd Owen (Local Member)

a) The report and recommendation of the Licensing Section

Submitted – the report of the Licensing Manager giving details of the application for a premises licence for Zip World Adventure Terminal, Penrhyn Quarry, Bethesda in relation to the sale of alcohol, indoor live and recorded music, and the provision of late night refreshments to eat on the premises.

Attention was drawn to the proposed hours in the report. It was noted that the Licensing Authority had sufficient evidence for the application to be submitted in accordance with the requirements of the Licensing Act 2003 and the relevant regulations.

Reference was made to measures recommended by the applicant to promote the licensing objectives along with the responses that had been received during the consultation period.

It was noted that one letter was received objecting to the application from the Fire Service as the details of the application did not meet the licensing objective of protecting the public. Attention was also drawn to observations from North Wales Police in relation to specific conditions on the use of CCTV; and observations from Public Protection on noise matters. It was noted that there was no intention of holding major events on the premises and the applicant acknowledged that noise could carry a considerable distance, given the nature of the slate quarry landscape. It was highlighted that every effort would be made to keep doors and windows closed during the periods of putting on entertainment.

b) In considering the application, the following procedure was followed:

- Members of the Sub-committee and the applicant were given an opportunity to ask questions of the Licensing Manager.
- The applicant was invited to expand on the application.
- Consultees were given an opportunity to submit their observations.
- The licensee, or his representative, was invited to respond to the observations.
- Members of the Sub-committee were given an opportunity to ask questions of the licensee.
- Members of the Sub-committee were given an opportunity to ask questions of the consultees.

c) In expanding on the application, the applicant's representative noted that he was happy with what had been submitted and reiterated the following observations:

- The new building (three floors) met the need for offices, a visitor centre, a shop, toilets and a restaurant
- The extension was necessary in order to respond to the visitor numbers

ch) The Officer from the Fire Service elaborated on their decision to refuse the application as the building's second floor was not safe for the public. She highlighted that only one fire exit had

been planned and this was insufficient for the number of people who would need to leave the floor safely in an emergency. It was explained that further discussions had been held with the applicant and that a meeting would be held in a fortnight with the Building Control Department to confirm that the work did respond to the requirements.

In response, the applicant's representative highlighted that following instructions from the Fire Service (May 2017) that external iron stairs were being installed as a fire exit from the second floor - the intention was for the stairs to be in place by 18 August 2017.

- d) Accepting an invitation from the Chair to submit his observations, the Local Member noted his concerns regarding how the company intended to keep control of the car park and the external areas in the context of people dealing drugs within the hidden areas within the site.
- dd) In response, the applicant's representative noted that CCTV would be a priority for the company and it would regularly monitor and manage the external areas and the main entrance. It was suggested that there would be gates to the main entrance, but the applicant's representative could not confirm this. He reiterated that it was intended to fully comply with the Police's conditions.
- e) Taking advantage of the right to speak, the Officer from North Wales Police noted that he had visited the site, but the building had not been completed at that time. He confirmed that a request had been submitted for the applicant to provide CCTV inside and outside the building / site. He also reiterated that the company supported Challenge 25. The officer suggested that the opening hours for the public should reflect and be consistent with the licensed hours and therefore it was proposed that the licence should highlight the closing time of 01:30am
- f) In summarising his application, the applicant's representative noted that the intention was to respond in full to the planning recommendation and that public safety was very important to the enterprise. He confirmed that he would contact the Fire Service and the Police should there be a need for further guidance.
- ff) In considering the application, all the evidence submitted was considered, giving particular attention to the Council's Licensing Policy, guidance from the Home Office and the principles of the Licensing Act 2003.

Crime and Disorder

- Public Safety
- Preventing Public Nuisance
- Protection of Children from Harm

RESOLVED - to approve the application subject to additional recommendations:

The licence was issued as follows:

1. Live indoor music will be permitted from Monday to Saturday and between 06:00 and 00:00, and on Sundays between 06:00 and 22:30.
2. The provision of indoor late night refreshments will be permitted, from Monday to Sunday between 23:00 and 01:00.
3. Supply of alcohol will be permitted to be consumed on the premises, from Monday to Sunday between 10:00 and 01:00.
4. Opening hours for the public from Monday to Sunday, between 06:00 and 01:30.
5. The issues included in section M of the application (i.e. the operating schedule) to be included as conditions on the licence.
6. The conditions suggested by the Police in terms of CCTV will be added to the licence.

In considering the Fire Service's concerns that issuing the licence would endanger public safety,

on grounds that there were not enough fire exits on the second floor of the premises, the Sub-committee, having received observations from a representative of the applicant, who noted that there was an intention to build a second fire exit from the second floor, were satisfied that the application was in keeping with the licensing objectives.

In considering observations from the local member expressing concern about people dealing drugs in the vicinity of the premises, the Sub-committee was satisfied that the proposed CCTV conditions were sufficient to promote any such incidents.

The Solicitor reported that the decision would be confirmed formally in a letter sent to everyone present. He also notified that they had the right to appeal the decision within 21 days of receiving the letter.

The meeting commenced at 10.15am and concluded at 12.25pm

Agenda Item 6

COMMITTEE:	CENTRAL LICENSING COMMITTEE
DATE:	11 SEPTEMBER 2017
TITLE:	REVIEW OF THE GAMBLING POLICY STATEMENT
PURPOSE:	FOR DECISION
AUTHOR:	HEAD OF ENVIRONMENT DEPARTMENT

1. **PURPOSE**

- 1.1 The purpose of this report is to present a draft Gambling Policy Statement to the Members for consideration and approval after conducting a public consultation in accordance with the 2005 Gambling Act. (Appendix 1)
- 1.2 You may remember that this Committee, in its meeting on 6 March 2017, approved the draft policy for a public consultation.
- 1.3 During the meeting, a discussion was held on the content of the draft policy. Concerns were expressed by several members about the frequency of gambling advertisements that appear on television channels and the internet, especially on sports subscription channels. It was agreed that the licensing officer would convey the Committee's observations to the Gambling Commission, which is responsible for regulating gambling advertisements. A copy of the letter sent to the Commission has been attached for your information (Appendix 2)

2. **THE RESULT OF THE PUBLIC CONSULTATION**

- 2.1 For the purposes of the Gambling Act 2005 (the Act), Gwynedd Council is recognised as a Licensing Authority and it is responsible for issuing and regulating premises licences, including premises that provide bingo, betting offices, entertainment arcades and so on.
The Authority is also responsible for registering small lotteries and for issuing gambling machine permits to public houses.
- 2.2 Not all types of gambling are regulated by the Local Authority; for example, the Financial Services Authority (FSA) and the National Lottery Commission continue to regulate spread betting and the National Lottery.
- 2.3 It is the Gambling Commission's responsibility to issue operating and personal licences for commercial gambling (such as casinos and bingo halls) and for people working in the industry.
- 2.4 The Act has three licensing aims, and it is these that form the basis of the Licensing Authority's functions. They are as follows:
 - Preventing Gambling from being a source of Crime and Disorder, from being associated with crime or disorder, or from being used to support crime;
 - Ensuring that Gambling is conducted in a fair and open way
 - Safeguarding children and other vulnerable people from being harmed or exploited through gambling.

2.5 Section 349 of the Act requires Licensing Authorities, every three years, to prepare and publish a declaration of the Licensing Principles they wish to implement whilst carrying out their functions in accordance with the Act.

2.6 A consultation was held for a period of 12 weeks up to the middle of July - and there was no response to the consultation.

3. **PROCEDURE FOR ADOPTION**

3.1 Since no observations were received to the consultation on the draft policy, this Committee is asked to approve the policy in its current form.

3.3 Once the Licensing Committee agrees on a final version of the Gambling Policy Statement, Section 154 of the Act states that the policy must be adopted by the full Council.

4. **RECOMMENDATION**

4.1 The Committee is asked to consider the draft Gambling Policy Statement in accordance with the 2005 Gambling Act and approve it for adoption.

1. INTRODUCTION

1.1 BACKGROUND

- 1.1.1 Under the provisions of the Gambling Act 2005, Gwynedd Council is the **Licensing Authority** (and is referred to in this document as “the licensing authority”) responsible for granting gambling Premises Licences, Notices, Permits and Registrations in the county of Gwynedd.
- 1.1.2 The Gambling Act 2003 (“the Act”) requires a licensing authority to prepare and publish a statement of licensing policy (“the policy”) at least every three years. This policy is made under Section 349 of the Act and in accordance with the ‘Guidance to Local Authorities’ issued by the Gambling Commission under Section 25 of the Act (“the Guidance”).
- 1.1.3 The licensing authority is bound by the Act and any regulations made under the Act. The licensing authority must have regard to the Guidance and the Licence Conditions and Codes of Practice (LCCP) issued by the Gambling Commission (Section 153). If it considers it appropriate, the licensing authority may depart from the Guidance if they have good reason to do so and can provide full reasons.
- 1.1.4 The policy was adopted by Gwynedd Council on **XXXX 2016** having considered the comments received from those consulted. The policy becomes effective from this date and will remain in force until a statutory or other review and consultation process is deemed necessary. The licensing authority will keep the policy under review, making any amendments it considers appropriate to support the licensing objectives. Any amendments will be published in the form of a new policy statement or, if appropriate, by publishing the amendment.
- 1.1.5 The policy will normally apply to any application determined after the date that the licensing authority resolved to make these policies operational, irrespective of the date on which the application was made.
- 1.1.6 Key policy principles are presented in shaded boxes.
- 1.1.7 The Appendixes are to be read in conjunction with this policy however they do not form part of the policy and may be updated at any time.

1.2 GEOGRAPHY OF GWYNEDD COUNCIL

- 1.2.1 The county of Gwynedd lies in North West Wales, has a population of over 122,000 residents and a land area of 2548 sq.km. It has 301km of coastline and is home to the biggest mountain in England and Wales, Snowdon at 3,560ft. Much of its area falls within the Snowdonia National Park, reflecting the physical beauty of the area. A map and profile of the area is available in [Appendix A](#).
- 1.2.2 The leisure and tourism industry in Gwynedd is a major contributor to the local economy. Gwynedd attracts over 7 million tourists and visitors per year.
- 1.2.3 Gwynedd has over 250 premises authorised by a premises licence, notice or permit under the Gambling Act 2005.

1.3 CONSULTATION PROCESS

- 1.3.1 The draft Statement of Licensing Policy was subject to formal consultation with:
- North Wales Police Service;
 - North Wales Fire & Rescue Service;
 - Representatives of the holders of the various licences for premises in the District who will be affected by this policy;
 - Persons and businesses likely to be affected by authorised gambling within the District
- 1.3.2 The draft Statement of Licensing Policy was also advertised and made available for inspection on the licensing authority website, and in council offices and libraries for a period of 4 weeks in accordance with the requirements of the Act.
- 1.3.3 The licensing authority, giving full regard to the Guidance, gave appropriate weight to the views of those consulted. In determining what weight to give particular representations, the licensing authority took into account:
- who made the representation (what is their expertise or interest)
 - how many other people have expressed the same or similar views
 - how far the representations relate to matters that the licensing authority should be including in the policy statement.

2. SCOPE AND EXTENT

2.0.1 The purpose of this statement of licensing policy is to set out the principles the licensing authority will apply when exercising its licensing function, i.e. when regulating the gambling activities within the terms of the Act. Reference will be made to the Act for ease of understanding however it is not intended to be a simplified summary of the law.

2.0.2 The Act defines **Gambling** as:-

2.0.3 **Gaming** - means playing a 'game of chance' for a prize. A 'game of chance' includes a game that involves both an element of chance and skill, a game that involves an element of chance that can be eliminated by superlative skill, and a game that is presented as involving an element of chance, but does not include a sport.

2.0.4 **Betting** – means making or accepting a bet on the outcome of a race, competition, or any other event; the likelihood of anything occurring or not occurring; or whether anything is true or not.

2.0.5 **Taking part in a lottery** – means paying in order to take part in an arrangement, during the course of which one or more prizes are allocated by a process which relies wholly on chance.

A full glossary of the terms used in the Act and in this policy can be found in **Appendix B**.

2.0.6 It is a criminal offence under Section 33 of the Act to provide facilities for Gambling unless an exception is provided for under the Act.

2.0.7 The **types of authorisation** the Act requires the licensing authority to regulate are:-

- Premises Licences
- Temporary Use Notices
- Occasional Use Notices
- Permits as required under the Act; and
- Registrations as required under the Act.

2.0.8 This policy relates to all premises licences, notices, permits and registrations identified as falling within the provisions of the Act, namely: -

- Premises Licences
 - Casinos;
 - Bingo Premises;
 - Betting Premises;
 - Tracks (*site where races or other sporting events take place*);
 - Adult Gaming Centres;
 - Licensed Family Entertainment Centres;

- Notices
 - Temporary Use Notices
 - Occasional Use Notices
- Permits
 - Family Entertainment Centre Gaming Machine Permits;
 - Club Gaming Permits;
 - Club Gaming Machine Permits;
 - Alcohol licensed premises Gaming Machine Permits;
 - Prize Gaming Permits;
- Registrations
 - Registrations of Small Society lotteries.

3. LICENSING OBJECTIVES

3.0.1 When exercising its functions under the Act the licensing authority must seek to promote the three **licensing objectives** contained in the Act. The three objectives are:

- preventing gambling from being a source of crime or disorder, being associated with crime or disorder, or being used to support crime;
- ensuring that gambling is conducted in a fair and open way; and
- protecting children and other vulnerable persons from being harmed or exploited by gambling.

3.1 OBJECTIVE 1: PREVENTING GAMBLING FROM BEING A SOURCE OF CRIME AND DISORDER

3.1.1 The licensing authority will, when determining applications, consider whether the grant of a premises licence will result in an increase in crime and disorder.

3.1.2 The Guidance for local authorities notes that “disorder is intended to mean activity that is more serious and disruptive than mere nuisance. Factors to consider in determining whether a disturbance was serious enough to constitute disorder would include whether police assistance was required and how threatening the behaviour was to those who could see or hear it.” The licensing authority agrees with this statement.

3.1.3 Applicants are encouraged to discuss the crime prevention procedures in their premises with the licensing authority Licensing Officers and/or the North Wales Police before making a formal application.

3.1.4 In considering licence applications, the licensing authority will particularly take into account the following:

- The design and layout of the premises;
- The training given to staff in crime prevention measures appropriate to those premises;
- Physical security features installed in the premises. This may include matters such as the position of cash registers or the standard of CCTV that is installed;
- Where premises are subject to age-restrictions, the procedures in place to conduct age verification checks;
- The likelihood of any violence, public order or policing problem if the licence is granted.

3.2 OBJECTIVE 2: ENSURING THAT GAMBLING IS CONDUCTED IN A FAIR AND OPEN WAY

3.2.1 Generally, the Commission would not expect licensing authorities to become concerned with ensuring that gambling is conducted in a fair and open way as this will be a matter for either the management of the gambling business, and therefore subject to the Operating Licence, or will be in relation to the suitability and actions of an individual and therefore subject to the Personal Licence, both of which are the responsibility of the Gambling Commission.

3.3 OBJECTIVE 3: PROTECTING CHILDREN AND OTHER VULNERABLE PERSONS

3.3.1 With limited exceptions, the access of children and young persons to licensed gambling premises, which are adult only environments, will not be permitted.

3.3.2 The licensing authority will seek to limit the advertising for premises so that gambling products are not aimed at children or advertised in such a way that makes them particularly attractive to children.

3.3.3 The licensing authority will consult with the Social Services Department on any application that indicates there may be concerns over access for children or vulnerable persons.

3.3.4 The licensing authority will judge the merits of each separate application before deciding whether to impose conditions to protect children on particular categories of premises. This may include such requirements as:

- Supervision of entrances;
- Segregation of gambling areas from areas frequented by children;
- Supervision of gaming machines in non-adult gambling specific premises.

3.3.5 The 2005 Act provides for a Code of Practice on access to casino premises by children and young persons and the licensing authority will work closely with the police to ensure the appropriate enforcement of the law.

3.3.6 The licensing authority does not seek to prohibit particular groups of adults from gambling in the same way that it seeks to prohibit children but it will assume, for regulatory purposes, that '**vulnerable persons**' includes :

- people who gamble more than they want to;
- people who gamble beyond their means; and
- people who may not be able to make an informed or balanced decision about

4. LEGISLATION AND POLICIES

4.1 LEGISLATION

4.1.1 In undertaking its licensing function under the Gambling Act 2005, the licensing authority will use a full range of measures including its planning controls and be mindful of legislation, strategies and policies which may impact on the promotion of the licensing objectives. These include:-

- Equalities Act 2010
- Section 17 of the Crime and Disorder Act 1988;
- Human Rights Act 1998;
- Health and Safety at Work etc. Act 1974;
- Environmental Protection Act 1990;
- The Anti-social Behaviour Act 2003;
- Race Relations Act, 1976 (as amended)
- The Licensing Act 2003
- Regulatory Return (Fire Safety) Order 2005
- The Regulators' Compliance code
- Gwynedd Council's Public Protection Service Enforcement Policy
- Gwynedd Council's Strategic Equality Scheme

However, the policy is not intended to duplicate existing legislation and regulation regimes that already place obligations on employers and operators.

4.2 PLANNING AND BUILDING CONTROL

4.2.1 Planning, building control and licensing regimes are properly separated to avoid duplication and inefficiency. They involve consideration of different, although related matters.

4.2.2 There are two Local Planning Authorities with statutory planning responsibilities within the county of Gwynedd, namely:

Gwynedd Council – which operates within the areas of Arfon, Dwyfor and Meirionnydd that fall outside the Snowdonia National Park.

Snowdonia National Park - which is an independent Planning Authority and responsible for the whole area falling within its boundaries.

4.2.3 Gwynedd Council's planning policies are set out in the 'Gwynedd Unitary Development Plan' and 'Supplementary Planning Guidance'. The Snowdonia National Park planning policies are set out in the 'Eryri Local Development Plan'

and 'Supplementary Planning Guidance'.

4.2.4 The two Planning Authorities work together during the preparation of their respective plans to:

- develop complementary and compatible policies,
- ensure effective and sustainable long term planning, and
- optimise economic, social and environmental benefits.

4.2.5 In general, planning permissions authorise a broad type of use of a premises, whereas licences are granted for a particular type of activity. A planning permission for an entertainment use, for example may cover activities that can have a wide range of different impacts in the locality. The precise nature of the impacts of the specified activities proposed by an applicant for a premises licence need to be considered when the application is made.

4.2.6 The licensing authority will normally expect that prior to the submission of a licensing application, the appropriate planning permission will have been granted in respect of any premises. However, applications for licences may be made before any relevant planning permission has been sought or granted.

4.2.7 The authority will also normally expect the activity to be authorised by the licence to be a lawful planning use and that any operating hours sought do not exceed those, if any, authorised by the planning permission.

4.2.8 Operating hours granted within the licensing process do not replace any restrictions imposed as a planning condition. Planning conditions will be addressed through the planning process.

5. DELEGATION, LICENSING COMMITTEE AND DECISION MAKING

5.1 DELEGATION

5.1.1 The licensing authority will be involved in a wide range of licensing decisions and functions and has established a Licensing Committee to administer them. Appreciating the need to provide a speedy, efficient and cost-effective service to all parties involved in the licensing process, the Committee has delegated certain decisions and functions and has established a Sub Committee to deal with them.

5.1.2 Many of the decisions and functions will be purely administrative in nature and the grant of non-contentious applications, for example, those licences and permits where no representations have been made, will be delegated to Council Officers.

5.1.3 The licensing authority will delegate licensing matters to be dealt with by the Central Licensing Sub-Committee and to Officers in accordance with the latest recommended Delegation of Functions specified in guidance issued by the Secretary of State, under Section 182 of the Act. The table shown at **Appendix C** sets out the current agreed delegation of decisions and functions to Licensing Committee, Panels and Officers.

5.1.4 This form of delegation is without prejudice to Officers referring an application to a Panel, a Panel to Full Committee, or Committee to Full Council, if appropriate.

5.2 LICENSING COMMITTEE

5.2.1 The Act provides that the functions of the licensing authority, including its determinations are to be carried out by its licensing committee. At Gwynedd Council this committee is referred to as the **Central Licensing Committee** and contains 15 members.

5.2.2 The licensing committee may delegate these functions to sub-committees or in appropriate cases, to officials supporting the licensing authority.

- 5.2.3 The Central Licensing Committee of Gwynedd Council have appointed a **Central Licensing Sub-Committee** to deal with
- Applications where there are relevant representations
 - Applications to review premises licence
 - Applications for club gaming/club machine permits where there are relevant representations
 - Decision to give a counter notice to a Temporary Use Notice.

5.2.4 The Sub-Committee contains 3 members who will sit to hear applications where representations have been received from interested parties and responsible authorities. Ward councillors will not sit on a sub-committee involving an application within their ward.

5.2.5 Where a councillor who is a member of the **Central Licensing Committee** is making or has made representations regarding a licence on behalf of an interested party, in the interests of good governance they will disqualify themselves from any involvement in the decision-making process affecting the licence in question.

5.2.6 The Central Licensing Sub-Committee will refer to the Central Licensing Committee any matter it is unable to deal with because of the number of its members who are unable to take part in the consideration or discussion of any matter or vote on any question with respect to it.

5.2.7 The Central Licensing Committee will refer to the full Council any matter it is unable to deal with because of the number of its members who are unable to take part in the consideration or discussion of any matter or vote on any question with respect to it.

5.3 DECISION MAKING

- 5.3.1 Every determination of a licensing decision by the Central Licensing Committee or Sub-committee shall be accompanied with clear, cogent reasons for the decision. The decision and the reasons for that decision will be sent to the Applicant and those who have made relevant representations as soon as practicable.
- 5.3.2 A summary of the decision shall be posted on the Council's website as soon as possible after the decision has been confirmed, where it will form part of the statutory licensing register required to be kept by the licensing authority.
- 5.3.3 The Council's licensing officers will deal with all other licence applications where either no representation have been received, or where representations have been received and it is agreed by the parties that a hearing is not necessary.
- 5.3.4 Decisions as to whether representations are irrelevant, frivolous or vexatious will be made by Council officers, who will make the decisions on whether representations or applications for licence reviews should be referred to the licensing committee or panels. Where representations are rejected written reasons as to why that is the case will be given.
- 5.3.5 In order to avoid duplication with other statutory regimes as far as possible the licensing authority will not attach conditions to a licence unless they are considered necessary for the promotion of the licensing objectives. Conditions will generally be considered unnecessary if they are already adequately covered by other legislation.

6. GENERAL PRINCIPLES

- 6.0.1 Nothing in this 'Statement of Policy' will:
- Undermine the rights of any person to apply under the Act for a variety of permissions and have the application considered on its individual merits; OR
 - Override the right of any person to make representations on any application or seek a review of a licence or permit where they are permitted to do so under the Act.
- 6.0.2 The licensing authority, in undertaking its licensing function, will have due regard to the need to eliminate unlawful discrimination and to promote equality and good relations between persons of different racial groups.
- 6.0.3 The licensing authority shall aim to permit the use of premises for gambling in so far as they think it is
- In accordance with any relevant code of practice under Section 24 of the Act;
 - In accordance with any relevant guidance issued by the Commission;
 - Reasonably consistent with the licensing objectives
 - In accordance with the licensing authority's statement of licensing policy.
- 6.0.4 Unmet demand is not a criterion that will be taken into consideration when determining an application for a premises licence under the Act.

6.1 COMPETENT AUTHORITY FOR PROTECTION OF CHILDREN FROM HARM

- 6.1.1 The licensing authority, designates the Social Services Department of Gwynedd Council as the competent authority to provide advice on the protection of children from harm given the wealth of specialist knowledge and expertise to hand to fulfil this role.
- 6.1.2 The Act indicates each licensing authority must nominate a single body to undertake this function but it may be prudent for the licensing authority to involve other organisations if it believes it is right to do so for the prevention of their physical, moral or psychological harm, especially where it receives representations to that effect.

6.2 INTERESTED PARTIES

- 6.2.1 For the purposes of the Gambling Act 2005, a person is an interested party in relation to a premises licence if, in the opinion of the licensing authority which issues the licence or to which the application is made, the person:
- Lives sufficiently close to the premises to be likely to be affected by the authorised activities;
 - Has business interests that might be affected by the authorised activities; this could also include, for example, trade associations, charities, faith groups and medical practices.
 - Represents persons who satisfy either of the above; for example Residents' and Tenants' Associations.
- 6.2.2 When considering whether a person is an interested party, each case will be judged on its merits taking into consideration the relevant circumstances, including those contained in the Guidance to local authorities.
- 6.2.3 Where a person, whether or not directly affected by an application or living in the vicinity of a licensable premise under consideration, puts themselves forward as representing the interests of residents in the vicinity, the licensing authority will normally ask them to provide evidence that they are acting as representatives of others.

6.3 EXCHANGE OF INFORMATION

- 6.3.1 In fulfilling its functions and obligations under the Gambling Act 2005 the licensing authority will exchange relevant information with other regulatory bodies and will establish protocols in this respect. In exchanging such information the licensing authority will conform to the requirements of the Gambling Act, Data Protection and Freedom of Information legislation in accordance with the Council's existing policies.
- 6.3.2 Contact details of those persons making representations and details of the representations will be made available to applicants to allow for negotiation and, in the event of a hearing being held, will form part of a public document. Anyone making representation or applying for a review of a premises licence will be informed that these details will be disclosed.

6.4 INSPECTION AND CRIMINAL PROCEEDINGS

- 6.4.1 The licensing authority will be guided by the Gambling Commission's Guidance and will endeavour to be:
- **Proportional:** regulators will only intervene when necessary; remedies will be appropriate to the risk posed and costs identified and minimized.
 - **Accountable:** regulators will be able to justify decisions and be subject to public scrutiny.
 - **Consistent:** rules and standards will be joined up and implemented fairly.
 - **Transparent:** regulators will be open and endeavour to keep regulations simple and user friendly;
 - **Targeted:** regulation will be focused on the problem and minimize side effects.
- 6.4.2 The licensing authority will endeavour to avoid duplication with other regulatory regimes so far as possible.
- 6.4.3 The licensing authority recognises that, apart from the licensing function, there are a number of other mechanisms available for addressing issues of unruly behaviour that can occur away from licensed premises, including:
- Planning controls;
 - Ongoing measures to create a safe and clean environment in these areas in partnership with local businesses, transport operators and other Council Departments;
 - Regular liaison with the Police on law enforcement issues regarding disorder and anti-social behaviour;
 - The power of the police, other responsible authorities or a local resident or business to seek a review of the licence.
- 6.4.4 This licensing authority has adopted a risk based inspection programme, i.e. those premises considered to pose a greater risk will be subject to more frequent inspections than those posing a lower risk.
- 6.4.5 When determining risk, consideration will be given to :-
- the nature of the gambling activities carried out on the premises
 - the location of the premises in relation to schools etc.
 - the procedures put in place by the management to meet the licensing objectives.
- 6.4.6 The licensing authority will make arrangements to monitor premises, undertake inspections and take appropriate enforcement is deems necessary to support and promote the licensing objectives or following receipt of complaint. The district will be monitored for unlicensed premises.

6.4.7 The licensing authority will seek to work actively with the police in enforcing licensing legislation. It encourages the police to share information about licensees and licensed premises under the Crime and Disorder Act 1998.

6.4.8 In general terms, action will only be taken in accordance with the Public Protection Service Enforcement Policy. To this end the key principles of consistency, transparency and proportionality will be maintained.

6.4.9 Where conditions have been imposed on a licence, an authorised person of the licensing authority may inspect the premises at any reasonable time for the purpose of checking that those conditions are being complied with.

6.4.10 The licensing authority will consider issuing a written informal warning to a licence holders specifying recommended improvement within a particular period of time if it deems necessary to support and promote the licensing objectives.

7. LICENSING PROCESS

- 7.0.1 **Applicants are advised that the application process for each type of authorisation or permission is set out in detail in the Act, the Regulations and the Guidance.**
- 7.0.2 Applications must be made on the prescribed or local form, and be accompanied by a fee. All prescribed forms and notices can be downloaded from the Commission's website www.gamblingcommission.gov.uk.
- 7.0.3 All local application forms are available in both the Welsh and English language, and are available to download from the licensing authority's website. A request for an application form may also be made directly to the licensing authority via telephone 01766 766000.
- 7.0.4 Applicants may submit applications electronically to the licensing authority by hardcopy or via email to Licensing@gwynedd.gov.uk.

7.1 APPLICATIONS

- 7.1.1 The starting point in determining applications will be to grant the application, without conditions.
- 7.1.2 Conditions will only be considered where they are needed to meet the requirements of the licensing objectives and any conditions applied will not be overly onerous and will be proportionate to the scale of the application and the 'risks' involved. Conditions will generally be considered unnecessary if they are already adequately covered by other legislation.
- 7.1.3 When determining an application to grant a premises licence or whether to review a premises licence, regard will be given to
- the proximity of the premises to schools, vulnerable adult centres, or to residential areas with a high concentration of families with children, and
 - the size and scope of the gambling premises concerned.
- 7.1.4 **Each case will be determined on its own merits.** Therefore, if an applicant can effectively demonstrate how they might overcome licensing objective concerns, this will be taken into account.

- 7.1.5 Where there are no **relevant representations** from Responsible Authorities or Interested Parties to an application the licence will be granted provided that the application is made in accordance with the requirements of the Act. For representations to be relevant they must
- relate to the promotion of one of the three licensing objectives;
 - be made by a responsible authority or interested party within the prescribed period;
 - not been withdrawn; and
 - they are not, in the opinion of the relevant licensing authority, frivolous or vexatious.
- 7.1.6 Where relevant representations on an application are received and the application has been made in accordance with the requirements of the Act, any non-compliance with other statutory requirements may be taken into account in reaching a decision about whether to grant a licence.

7.2 MEDIATION

7.2.1 Where a relevant representation concerning the licensing objectives is made by a responsible authorities or interested party, the licensing section will decide whether the representation is relevant.

7.2.2 Where the licensing authority find the representation to be relevant it may recommend a **mediation meeting** to address and clarify the issues of concern.

7.2.3 This process will not override the right of an applicant or interested party to decline to participate in a mediation meeting.

7.2.4 If this informal process is unsuccessful a hearing before the licensing committee or sub-committee will follow. All relevant parties will be notified.

7.2.5 The determination of the application will be made by the licensing committee or sub-committee and the details of that decision will be circulated to the parties concerned.

7.3 CONDITIONS

- 7.3.1 The Act and regulations provide for specific conditions to be attached to a Premises Licence as either “**mandatory**” or “**default**” conditions.
- 7.3.2 Section 169 of the Act gives licensing authorities the power to impose default conditions on premises licences that they issue.
- 7.3.3 When considering any conditions to be attached to licences, the licensing authority will consider the local circumstances and risks associated with specific premises or class of premises, which might give rise to the need for conditions.

7.3.4 The licensing authority will not impose any conditions unless its discretion has been engaged following the making of a relevant representation and it has been satisfied at a hearing of the necessity to impose conditions due to the representations raised. It will then only impose such conditions which are appropriate and proportionate to promote the licensing objectives arising out of the consideration of the representations.

- 7.3.5 Conditions on premises licences will relate only to gambling, as considered appropriate in light of the following principles:
- Must be proportionate to the circumstance which they are seeking to address;
 - Should be relevant to the need to make the proposed building suitable as a gambling facility;
 - Should be directly related to the premises (including the locality and any identified local risks) and the type of licence applied for;
 - Should be fairly and reasonably related to the scale and type of premises;
 - Should be reasonable in all other respects.

7.4 REVIEWS

- 7.4.1 At any time following the grant of a premises licence a **responsible authority** or any **interested party** may ask the licensing authority to review the premises licence because of a matter arising at the premises in connection with any of the three licensing objectives.
- 7.4.2 The review process represents a key protection for the community where problems associated with the licensing objectives occur at a premises.
- 7.4.3 In every case, an application for a review must relate to a particular premises and **must be relevant to the promotion of one or more of the licensing objectives.**

- 7.4.4 Grounds for a review may be that activities, including the following, are taking place at the premises:
- Use of licensed premises for the sale and distribution of Class A drugs and the laundering of the proceeds of drugs crimes;
 - Use of licensed premises for the sale and distribution of illegal firearms;
 - Use of licensed premises for prostitution or the sale of unlawful pornography;
 - Use of licensed premises as a base for organised criminal activity;
 - Use of licensed premises for the organisation of racist, homophobic or sexual abuse or attacks;
 - Use of licensed premises for the sale of smuggled tobacco or goods;
 - The use of licensed premises for the sale of stolen goods.
 - Children and/or vulnerable persons are put at risk.

7.4.5 The licensing authority will reject an application for a review if the applicant fails to provide supporting information and documents that one or more of the licensing objectives are not being met or if the reason for the review does not relate to the licensing objectives.

7.4.6 The licensing authority will also reject an application for a review if

- the grounds are frivolous;
- the grounds are vexatious;
- the grounds are irrelevant;
- the grounds will not cause the Council to revoke or suspend a licence or to remove or attach conditions on the Premises Licence;
- the grounds are substantially the same as the grounds cited in a previous application relating to the same premises; or
- the grounds are substantially the same as representations made at the time the application for a Premises Licence was considered.

7.4.7 The licensing authority considers it good practice for all responsible authorities that have concerns about problems identified at premises to give licence holders early warning of their concern and the need for improvement, and where possible they should advise the licence holder of the steps they need to take to address those concerns.

INITIATION OF REVIEW BY LICENSING AUTHORITY

7.4.8 A Premises Licence may also be reviewed by the licensing authority on its own volition.

7.4.9 Prior to discharging its power to initiate a review, the licensing authority will attempt to have constructive discussions with the operators about any concerns and may ask the operator to provide the licensing authority with its own **risk assessment** which sets out the controls it has put in place to mitigate risks.

8. LOCAL STANDARDS

8.1 PREMISES LICENCES

8.1.1 Premises Licences can authorise the provision of gambling facilities on

- Casinos;
- Bingo Premises;
- Betting Premises, including Tracks;
- Adult Gaming Centres (AGC); and
- Family Entertainment Centres.

By distinguishing between premises types, the Act makes it clear that gambling activity of the premises should be linked to the premises described. **The Act does not permit premises to be licensed for more than one of the above activities.**

8.1.1 An application for a Premises Licence can only be made by persons (which includes companies or partnerships):

- Who are aged 18 or over, **and**
- Who have the right to occupy the premises and
- Who have an Operating Licence authorising him to carry out the proposed activity **OR** who have applied for an Operating Licence to allow them to carry out the proposed activity.

The premises licence cannot be determined until an operating licence has been issued.

8.1.2 The exception to this is an applicant for a premises licence to allow a track to be used for betting, as these applicants are not required to hold an operating licence if they merely provide space for other people to provide betting (and those other people hold valid betting operating licences).

8.1.3 The licensing authority strongly encourages applicants to discuss proposed applications with a licensing officer and responsible authorities at an early stage and prior to the submission of the application itself. This should identify potential problems and help to build good partnership working. It may also reduce the need for a hearing at a later stage.

8.1.4 Applicants are encouraged to make themselves aware of any relevant planning and transport policies, tourism and cultural strategies and local crime and disorder strategies, and to take these into account, where appropriate, in the formulation of their operating schedules.

- 8.1.5 The licensing authority will expect all applicants to specify the methods by which they will promote the three licensing objectives in their operating schedules, having regard to the type of premises, the licensable activity proposed, the operational procedures, the nature of the location and the needs of the local community.
- 8.1.6 The authority considers that a well-drawn, specific operating schedule indicates that an applicant understands and is prepared to meet the responsibilities of a licence holder under the Act.
- 8.1.7 The authority considers that a blank or sparsely completed operating schedule may give the impression that the applicant has given inadequate thought to the responsibilities of a licence holder.

- 8.1.9 Unmet demand is not a criterion that will be taken into consideration when determining an application for a premises licence under the Gambling Act 2005.

CASINOS

- 8.1.10 There is no resolution to prohibit casinos in Gwynedd at present. However, the licensing authority reserves its right to review this situation and may, at some time in the future, resolve not to permit casinos. Currently there are no casinos operating within Gwynedd.
- 8.1.11 Should the licensing authority choose to make such a resolution, this will be a resolution of Full Council following considered debate and the reasons for making the resolution will be provided. There will be no right of appeal against such a resolution.

BINGO PREMISES

- 8.1.12 Bingo is not given a statutory definition in the Act although two types of bingo are commonly understood:
- Cash bingo, where the stakes paid make up the cash prizes that are won
 - Prize bingo, where various forms of prizes are won, not directly related to the stakes paid.
- 8.1.13 The licensing authority will attach mandatory and default conditions to all Bingo Premises licences.

BETTING PREMISES

- 8.1.14 The licensing authority is responsible for issuing and monitoring premises licences for all betting premises.
- 8.1.15 The licensing authority will attach mandatory and default conditions to all Betting Premises licences.

TRACKS

8.1.16 The Act does not give a list of premises that are officially recognised as ‘tracks’ but there are a number of venues where sporting events do or could take place, and accordingly could accommodate the provision of betting facilities. Examples of tracks include

- A horse racecourse
- A greyhound track
- A point-to-point horserace meeting
- Football, cricket and rugby grounds
- A golf course
- Venues hosting darts, bowls or snooker tournaments.

8.1.17 The licensing authority will determine what constitutes a sporting event or race on a case by case basis.

ADULT GAMING CENTRES (AGC)

8.1.18 Applicants for an Adult Gaming Centre Premises Licence must hold a ‘Gaming Machines General Operating Licence (Adult Gaming Centre)’ from the Gambling Commission before the premises licence can be determined.

8.1.19 The licensing authority will attach mandatory conditions to all AGC Premises licences.

FAMILY ENTERTAINMENT CENTRES (FEC)

8.1.20 Applicants for a Family Entertainment Centre Premises Licence must hold a ‘Gaming Machines General Operating Licence (Family Entertainment Centre)’ from the Gambling Commission before the premises licence can be determined.

8.1.21 Licensed Family Entertainment Centres (FECs) are commonly located at seaside resorts, in airports and at motorway service stations, and cater for families, including unaccompanied children and young persons. They are permitted to make available category C and D gaming machines.

8.1.22 Children and young persons are not permitted to use category C machines and it is a requirement that there must be clear segregation between the types of machines so that persons under 18 years of age do not have access to them.

8.1.23 The licensing authority will take into account the policies and procedure proposed by the applicant to protect children and young persons when considering applications for FEC Premises licences .

8.1.24 The licensing authority will attach mandatory conditions to all FEC Premises licences.

8.2 NOTICES

TEMPORARY USE NOTICES (TUN)

8.2.1 Temporary use notices allow the use of premises for gambling where there is no premises licence but where a gambling operator wishes to use the premises temporarily for providing facilities for gambling. Premises that might be suitable for a temporary use notice, according to the Gambling Commission, would include hotels, conference centres and sporting venues.

8.2.2 The licensing authority can only grant a temporary use notice to a person or company holding a relevant operating licence, i.e. a non-remote casino operating licence.

8.2.3 There are a number of statutory limits as regards temporary use notices.

8.2.4 In considering whether a place falls within the definition of "a set of premises", the licensing authority will look at, amongst other things, the ownership/occupation and control of the premises.

8.2.5 This licensing authority expects to object to notices where it appears that their effect would be to permit regular gambling in a place that could be described as one set of premises, as recommended in the gambling commission's guidance to licensing authorities.

OCCASIONAL USE NOTICES (OUN)

8.2.6 The licensing authority has very little discretion as regards these notices aside from ensuring that the statutory limit of 8 days in a calendar year is not exceeded. This licensing authority will though consider the definition of a 'track' and whether the applicant is permitted to avail him/herself of the notice.

8.3 PERMITS

- 8.3.1 Permits are designed as a light-touch approach to low level ancillary gambling. The permits regulate gambling and the use of gaming machines in specific premises.
- 8.3.2 The licensing authority are responsible for issuing
- Family Entertainment Centre Gaming Machine Permits;
 - Club Gaming Permits and Club Gaming Machine Permits;
 - Alcohol-licensed premises Gaming Machine Permits;
 - Prize Gaming Permits.
- 8.3.3 The licensing authority will grant or reject an application for a permit. **No conditions may be attached to a permit.**
- 8.3.4 In addition, the licensing authority are responsible for receiving notification from holder of alcohol licences under the Licensing Act 2003 that they intend to exercise their automatic entitlement to 2 gaming machines in their premises.
- 8.3.5 See **Appendix D** for further information regarding the categories of gaming machines allowed by permit and information regarding stakes and prize limits.

8.3.6 When determining applications for permits the licensing authority will consider any convictions held by the applicant that would make them unsuitable to operate the premises plus the suitability of the premises in relation to their location and issues about disorder.

FAMILY ENTERTAINMENT CENTRE GAMING MACHINE PERMIT

- 8.3.7 Unlicensed Family Entertainment Centres are able to offer only category D machines on a gaming machine permit. Any number of category D machines can be made available.
- 8.3.8 An application for a permit can only be made by a person who occupies or plans to occupy the premises to be used as an unlicensed Family Entertainment Centre and, if the applicant is an individual, is aged over 18 years.
- 8.3.9 The permit may be granted only if the licensing authority is satisfied that the premises will be used as an unlicensed Family Entertainment Centre, and if the chief officer of police has been consulted on the application.

8.3.10 There is no prescribed application form for this permit however the licensing authority have created a **local application form** for this purpose. A plan for the unlicensed Family Entertainment Centre must be submitted with each application.

CLUB GAMING PERMITS AND CLUB GAMING MACHINE PERMITS

- 8.3.11 The licensing authority may grant members clubs and miners' welfare institutes (but not commercial clubs) club gaming permits which authorise the provision of gaming machines, equal chance gaming and games of chance as prescribed in regulations.
- 8.3.12 If a members' club or minter's welfare institute does not wish to have the full range of facilities permitted by a club gaming permit, they may apply for a club gaming machine permit using the prescribed form.
- 8.3.13 Holders of club gaming permits and club gaming machine permits are required to comply with the code of practice issued by the Gambling Commission on the location and operation of machines.

ALCOHOL-LICENSED PREMISES GAMING MACHINE PERMITS

- 8.3.14 The licensing authority may issue holders of alcohol licences under the Licensing Act 2003 a gaming machine permit which permits any number of Category C or D machines in licensed premises.
- 8.3.15 The application must be made by the person that holds the alcohol premises licence issued under the Licensing Act 2003.
- 8.3.16 The licensing authority may vary the number and category of gaming machines authorised by the permit if it considers it necessary to promote the licensing objectives.
- 8.3.17 Holders of licensed premises gaming machine permits are required to comply with the code of practice issued by the Gambling Commission on the location and operation of machines.

8.3.18 There is no prescribed form for this permit however the licensing authority have created a **local application form** for this purpose.

PRIZE GAMING PERMITS

- 8.3.19 The licensing authority may issue prize gaming permits to authorise the provision of facilities for gaming with prizes on specific premises.
- 8.3.20 The application must be made by the person who occupies or plans to occupy the premises and if the applicant is an individual, must be aged 18 or over.
- 8.3.21 Applicants are asked to set out the types of gaming that they are intending to offer in their application.

8.3.22 There is no prescribed form for this permit however the licensing authority have created a **local application form** for this purpose.

8.4 REGISTRATIONS

8.4.1 The Act denotes 'local authorities' as being responsible for registering societies to run **Small Society Lotteries**, as opposed to licensing authorities. In the interest of consistency, Gwynedd Council being the local authority defined under Section 25 of the Act will be referred to as the licensing authority in this document.

8.4.2 Applications for small society lottery registrations must be in the form prescribed and be accompanied by both the required registration fee and all necessary documents required by the licensing authority.

8.4.3 The licensing authority will require applicants to provide a copy of their terms and conditions and their constitution to establish that they are a non-commercial society.

8.5 LOCAL RISK ASSESSMENTS

8.5.1 The Gambling Commission's '**Licence Conditions and Codes of Practice**' (LCCP) formalise the need for operators to consider local risks.

8.5.2 The Social Responsibility code 10.1.1 requires all premises licensees to assess the local risks to the licensing objectives posed by the provision of gambling facilities at each of their premises, and have policies, procedures and control measures to mitigate those risks. In undertaking a risk assessment, licensees must take into account the matters identified in this statement of policy.

8.5.3 A local risk assessment must be undertaken when applying for a new premises licence and must be updated

- When applying for a variation of a premises licence;
- To take account any significant changes in local risks;
- When there are significant changes at a licensee's premises that may affect their mitigation of local risks.

8.5.4 The licensing authority will expect every risk assessment to cover the following broad headings:

- Reference to any specific local risks
- How the operator proposes to mitigate these risks
- How the operator will monitor the risks

8.5.5 The **Local risks** identified by the licensing authority include, but are not restricted to:

- The proximity of the premises to sensitive establishments such as schools, vulnerable adult centres, or to residential areas with a high concentration of families with children.
- The nature of the gambling activities and category of gaming machines made available at the premises.
- Any age restrictions and segregation requirements at the premises necessary for the protection of children and young persons.
- The prevalence of vulnerable persons in the locality of the premises.

8.5.6 A **Local Area Profile of Gwynedd**, i.e. an assessment of the key characteristics of the area, has been prepared by the licensing authority and is available as **Appendix A**.

8.5.7 Although there is no statutory requirement on licensing authorities to prepare a local area profile, it has been prepared so that operators may have a better awareness of Gwynedd and its risks.

8.5.8 The licensing authority encourage all operators to consider the information provided in the 'Local Area Profile of Gwynedd' when preparing their local risk assessments.

9. COMPLAINTS AGAINST LICENSED PREMISES

- 9.0.1 The licensing authority will investigate complaints against licensed premises in relation to matters concerning the licensing objectives. In the first instance, complainants are encouraged to raise the complaint directly with the licensee or business concerned to seek a local resolution.
- 9.0.2 Where an interested party has made a complaint about licensed premises, or a valid application for a licence to be reviewed, the Council may initially recommend a conciliation meeting to address and clarify the issues of concern.
- 9.0.3 This process will not override the right of any interested party or for any licence holder to decline to participate in a conciliation meeting.
- 9.0.4 Due consideration will be given to all complaints unless they are considered to be frivolous, vexatious or repetitious.

10. FURTHER INFORMATION

10.1 GAMING MACHINES

- 10.1.1 The licensing authority notes that the term “Gaming Machine” covers all machines on which people can gamble and the term has only been preserved in the Act because it is one that is readily understood.
- 10.1.2 The definition of “gaming machines” is wider in the Gambling Act 2005 than those in previous gaming legislation and covers all types of gambling activities which can take place on a machine, including betting on virtual events.
- 10.1.3 It should be noted however that there still remains a distinction between skill machines and gaming machines plus important exemptions remain for certain equipment that is not considered a gaming machine, even when gambling can be performed on it, for example a home personal computer.
- 10.1.4 In order for a premises to site gaming machines an authorisation is normally required. Typically this is
- An operating licence from the Commission **and** a gambling premises licence from the licensing authority;

12.3 A summary of the information contained in the licensing register is available to view online at www.gwynedd.gov.uk.

APPENDIX A: LOCAL AREA PROFILE OF GWYNEDD

INTRODUCTION

The purpose of this **Local Area Profile of Gwynedd** is to provide an assessment of the key characteristics of the county so that operators of licensed gambling premises may have a better understanding and awareness of Gwynedd and its risks.

Although there is no statutory requirement on licensing authorities to prepare a local area profile, it is hoped that the information provided will assist operators when preparing their local risk assessments for licensed gambling premises.

This document provides an assessment of:

- The Area Characteristics of Gwynedd;
- The Language Characteristics of Gwynedd;
- The Licensed Gambling Premises in Gwynedd;
- The Sensitive Establishments in Gwynedd; and
- The Prevalence of Vulnerable Persons in Gwynedd.

AREA CHARACTERISTICS

The county of Gwynedd lies in North West Wales, has a population of over 122,000 residents and a land area of 2548 sq.km split across three districts namely, Arfon, Dwyfor and Meirionnydd. It has 301km of coastline and is home to the biggest mountain in England and Wales, Snowdon at 3,560ft. Much of its area falls within the Snowdonia National Park, reflecting the physical beauty of the area.

The leisure and tourism industry in Gwynedd is a major contributor to the local economy. Gwynedd attracts over 7 million tourists and visitors per year. The Llyn Peninsula located in the district of Dwyfor is renowned for its diverse and spectacular coastline and beautiful landscape. The peninsula was designated as an **Area of Outstanding Natural Beauty (AONB)** in 1956. The designated area includes approximately ¼ of the peninsula – a total of 15,500 hectares extending mainly along the coast and reaching inland to include the volcanic peaks of Garn Fadryn and Yr Eifl. The primary purpose of the AONB designation is to conserve and enhance the natural beauty of the area, which includes protecting flora, fauna, geological, archaeological, historic remains and architectural features. The designation also creates a responsibility to provide for a quiet enjoyment of the countryside and having regard for the interests of those who live and work there. Further information regarding the Llyn AONB, is available at www.ahne-llyn-aonb.org.

Education and learning is also a major contributor to the local economy in the district of Arfon where the city of Bangor, situated between the mountains of Snowdonia and the Menai Straits, is the home to Bangor University which attracts over 11,000 students a year.

LANGUAGE CHARACTERISTICS

According to the 2011 census, 65.4% of Gwynedd residents are Welsh speakers. The number of Welsh speakers in each district varies greatly, with the greatest percentage of Welsh speakers being in the Arfon district wards of Llanrug (87.8%) and Peblig (87.4%).

The number of Welsh speakers in the city of Bangor is considerably less (36.4%) and in coastal areas such as along the Meirionnydd district coastline, with the percentage of Welsh speakers in Aberdyfi as low as 35.5%.

Table 1 shows the Welsh language profile of the residents per district. The Welsh language profile of residents per ward is available to view on the Gwynedd Council website www.gwynedd.gov.uk.

It is illegal for operators to allow children and young persons aged less than 18 years to play certain age restricted games, place a bet or be allowed entry into casinos, betting premises, Adult gaming centres and age restricted area in Bingos, Tracks and Family Entertainment centres.

An Unlicensed Family Entertainment Centre can only provide category D machines.

Fixed Odds Betting: if a gambler is able to establish what the return on a bet will be when it is placed, (and the activity is not 'gaming'), then it is likely to be betting at fixed odds.

Fixed Odds Betting Terminals (FOBTs): FOBTs are a type of gaming machines which generally appear in licensed betting shops. FOBTs have 'touch-screen' displays and look similar to quiz machines familiar in pubs and clubs. They normally offer a number of games, roulette being the most popular.

Gaming: playing a game of chance for a prize. This includes games of pure chance (or luck), games that have an element of skill and chance combined, and games where "superlative skill" can eliminate the element of chance. Sports are excluded from the definition of Games of Chance.

Gaming Machine: a machine used for gambling. There are divided into 8 categories, (A, B1, B2, B3A, B3, B4, C & D) depending on the maximum stakes and maximum prizes. Different categories of machines can be used in different types of licensed gambling premises and under different permits.

Guidance to Licensing Authorities: guidance issued by the Gambling Commission.

Incidental non-commercial lottery: see Exempt Lotteries above.

Large Lottery: where the total value of tickets in any one lottery exceeds £20,000 or £250,000 in separate lotteries over one calendar year. This type of lottery requires an operating Licence from the Gambling Commission.

Licensed premises Gaming Machine Permit: allows pubs to have more than 2 gaming machines, provided the main purpose of the premises is to remain a pub, rather than an Entertainment Centre with a bar.

Licensing authority: the district, borough or unitary authority responsible for licensing gambling and other activities in the area.

Licensing Objectives: there are three objectives

- Preventing gambling from being a source of crime or disorder, being associated with crime or disorder, or being used to support crime;
- Ensuring that gambling is conducted in a fair and open way; and
- Protecting children and other vulnerable persons from being harmed or exploited by gambling.

Lottery: the 2005 Act recognises 2 types of lottery, a simple lottery or a complex lottery. In both cases players pay to take part and prizes are allocated. In the case of a simple lottery, that allocation is wholly by chance, but in the case of a complex lottery there can be further steps which are not dependent upon chance. Some lotteries are exempt from regulation (see above).

Occasional Use Notice: a notice that may only be issued in respect of a track (see below) that permits betting on a track without the need for a Premises Licence.

Prize Gaming: gaming in which the nature and size of the prize is not determined by the number of players or stakes, e.g. bingo with non-cash prizes.

Prize Gaming Permit: a permit issued by the Licensing Authority allowing prize gaming to take place.

Pub: premises that have a premises licence under the Licensing Act 2003 to sell alcohol for consumption on the premises in a bar at which alcohol is served to customers. Pubs can have 2 category C or D gaming machines. If a pub has a Licensed Premises Gaming Machine Permit (see above) it can have more gaming machines.

Risk Assessments: the requirement under the Social Responsibility code 10.1.1 for operators to assess the local risks to the licensing objectives posed by the provision of gambling facilities at their premises and have policies, procedures and control measures to mitigate those risks.

Relevant representations: are representations made by responsible authorities or interested parties within the prescribed period, that relate to the promotion of at least one of the three licensing objectives, have not been withdrawn; and, in the opinion of the licensing authority, are not frivolous or vexatious.

Responsible authority: public bodies that must be notified of applications and are entitled to make representations to the licensing authority. They include

- the licensing authority in whose area the premises is wholly or partly situated,
- the Gambling Commission,
- the chief officer of police or chief constable for the area in which the premises is wholly or partly situated,
- the fire and rescue authority for the same area,
- the local planning authority for the area in which the premises is wholly or partly situated,
- the relevant authority which has functions in relation to pollution to the environment or harm to human health for the area in which the premises is wholly or partly situated,
- a body, designated by the licensing authority, as competent to advise about the protection of children from harm,
- HM Revenue and Customs
- Any other person prescribed in regulations by the Secretary of State.

Review: following the grant of a premises licence a responsible authority or interested party may ask the licensing authority to review the licence because of a matter arising at the premises in connection with any of the three licensing objectives.

Skills with Prizes machine: a machine on which the winning of a prize is determined only by the player's skill and there is no element of chance. These are unregulated.

Small Society Lottery: these are for non-commercial societies (a society established and conducted for charitable purposes; for the purpose of enabling participation in, or of supporting, sport athletics or a cultural activity; or for any other non-commercial purpose other than that of private gain) who must register their lotteries with the local authority.

Temporary Use Notice: a notice that allows limited types of gambling to take place for a limited period on premises that do not have a premises licence.

Track: a site where races or other sporting events take place e.g. horse racing, dog racing, athletics, football, motor racing etc.

Travelling Fair: a fair that 'wholly or principally' provides amusements and must be on a site used for fairs for no more than 27 days per calendar year. Fairs can provide prize gaming and category D gaming machines.

Annwyl Syr

Dear Sir

**Rheoli hysbysebion hapchwarae ar y cyfryngau
Deddf Hapchwarae 2005**

**Control of gambling advertising in the media
Gambling Act 2005**

Mae Cyngor Gwynedd yn ddiweddar wedi bod yn adolygu ei Ddatganiad o Bolisi Hapchwarae, sydd wedi bod yn destun ymgynghoriad cyhoeddus'

Gwynedd Council have been recently reviewed the Statement of Gambling Policy which has been subject to a public consultation.

Yn ystod trafodaeth ar y polisi draft yn y cyfarfod diwethaf o Bwyllgor Trwyddedu Canolog y Cyngor, fe ddatganodd aelodau eu pryderon ynglŷn â niferoedd ac amllder hysbysebion hapchwarae sydd yn ymddangos ar sianeli teledu ac ar-lein

During a discussion on the draft policy at the last meeting of the Council's Licensing General Committee, members expressed concern regarding the extent and frequency of gambling adverts which appear on television channels and online.

Roedd yr aelodau yn arbennig o bryderus oherwydd bod yn ymddangos fod cynnydd sylweddol yn yr hysbysebion dros y blynyddoedd diwethaf; yn enwedig ar sianeli tanysgrifio sy'n dangos chwaraeon.

Members were particularly concerned that there appears to be a significant increase in gambling adverts over recent years, especially on satellite or subscription channels showing sporting fixtures.

Rwyf wedi cael cais gan Gadeirydd y Pwyllgor Trwyddedu Canolog, y Cynghorydd Peter Read i ysgrifennu atoch i gyfleu pryderon y Pwyllgor, fod y cynnydd mewn hysbysebion o'r fath yn annog hapchwarae anghyfrifol. Mae'r Pwyllgor yn awyddus i gael gwybod pa gamau mae'r Comisiwn Hapchwarae yn eu cymryd o ran rheoleiddio er mwyn cyfyngu hysbysu gan y diwydiant a sgil effeithiau hynny.

I have been requested by the chairman of the Licensing Committee, Councillor Peter Read to write to you to express the Committee's concerns that an increase in such adverts is encouraging irresponsible gambling. The Committee wishes to be informed what steps the Gambling Commission are taking in terms of regulation to curb industry advertisements and its effects.

Fe fyddwn yn ddiolchgar petaech yn gallu ymateb i'r llythyr hwn fel y gallaf adrodd i'r cyfarfod nesaf o'r Pwyllgor ar y 11eg o Fedi 2017.

I would be grateful if you could respond to this letter so that I may report to the next meeting of the Committee on the 11th September 2017

Yn gywir / Yours faithfully

**Mrs Gwenan Mai Roberts - Ar ran /on behalf of
Councillor Peter Read chairman of the Central Licensing Committee**
