5.1. APPLICATION NO C20/0244/08/LL LAND NEAR GARTH SEALING END COMPOUND, MINFFORDD, PENRHYNDEUDRAETH 13 - 63

The following development is located within the boundaries of Gwynedd Council Local Planning Authority: 1) Construction of Western tunnel head house (including the associated construction compound) at Garth and the permanent access track. The following development is located within the boundaries of Snowdonia National Park Local Planning Authority: 2) Construction of Eastern tunnel head house (including the associated construction compound), sealing end compound and permanent access at Cilfor 3) A new sealing end compound on the eastern side of the Dwyryd Estuary to connect the underground cables to the overhead line. The following development does not require formal planning permission: These proposals would allow for the construction of an underground tunnel housing electricity cables and the removal of 10 existing pylons and associated overhead lines from across the Dwyryd Estuary. The application crosses the boundary between Gwynedd Council and the Snowdonia National Park and therefore you may receive a consultation from each authority in relation to the development located within its boundaries.
