COMMITTEE:	CENTRAL LICENSING SUB-COMMITTEE
DATE:	18 March 2022
TITLE:	REQUEST FOR VARIATION OF THE PREMISES LICENCE - THE MENAI, CRAIG Y DON ROAD, BANGOR, GWYNEDD, LL57 2BG
PURPOSE:	FOR DECISION
AUTHOR:	HEAD OF ENVIRONMENT

1. APPLICATION RECEIVED

- 1.1** An application is appended to vary the premises licence of The Menai (Menai Court Hotel), Craig y Don Road, Bangor LL57 2BG, by Marston's PLC. The application is made in relation to seeking the right to remove historical restrictions and conditions placed on the licence in relation to the use of the beer garden in the evening.
- 1.2** The current licence includes a condition that the use of the beer garden be restricted to drinking only (no entertainment) between 11:00 and 21:00 only.
- 1.3** The applicant proposes amended conditions as follows –
- No public access to the beer garden (except for emergency evacuation) between 23:00 and 08:00.
 - For a period between 21:00 and 23:00 when the beer garden is in use; checks to be made and recorded hourly, and if noise levels are audible above background noise levels, then steps will be taken to control the noise generated within the beer garden area.
 - The records will be kept for a period of 6 months and be made available to the Police and licensing officers for inspection.
 - In addition, it is recommended that the wording of Appendix 2 be removed so that no additional mandatory conditions are included, but rather a reference to the time the licence was transferred in 2005.
- 1.4** The applicant does not require any changes to the hours of operation, or hours of licensed activities, or any of the other conditions that are on the licence. The applicant believes that the conditions proposed will enable the licensing objective of preventing public nuisance to be promoted.
- 1.5** It is noted on the application, shown in the appendix, that the applicant has stated that live and recorded music can take place indoors and outdoors.
- 1.6** The officers of the Licensing Authority are satisfied that there is sufficient evidence that the application has been submitted in accordance with the requirements of the Licensing Act 2003 and the relevant regulations, and is therefore valid.
- 1.7** Several objections have been received from nearby residents; there are further details in the report.

See the attached table for full details of the proposed variation:

Gwneir cais i amrywio'r Drwydded Eiddo.

Pan roddwyd y Drwydded Eiddo yn 2005, gosodwyd amodau a oedd yn destun Apêl a ddaeth i ben ar 27 Ionawr 2006. Ers y dyddiad hwnnw, yn dilyn fformatiau amrywiol y Drwydded Eiddo, bu cyfnodau o amser pan bu i'r drwydded fod yn aneglur ynghylch darpariaethau ei weithrediad ond mae'r cyfyngiad hanesyddol sy'n cyfyngu ar ddefnydd yr ardd gwrw bellach yn cael ei nodi nid yn ôl cyflwr ond o ran yr amseroedd sydd ar gael ar gyfer gweithgareddau trwyddedadwy er gwaethaf y ffaith nad yw'r defnydd yn dod o fewn y meini prawf hynny.

Gwneir cais i egluro'r sefyllfa ac ehangu'r defnydd posib o'r ardd gwrw.

Cynigir bod y datganiad a gynhwysir o dan gyflenwi alcohol ar safle ac oddi arno

Application is made to vary the premises Licence.

On grant of the Premises Licence in 2005, conditions were imposed which were subsequently subject to an Appeal which was concluded on 27th January 2006. Since that date, following various formats of the Premises Licence, there have been periods of time when, the licence has been unclear as to the provisions of its operation but the historic restriction limiting use of the beer garden area are now set out not by way of condition but in respect of the times available for licensable activities despite, consumption not falling within that criteria.

Application is made to clarify the position and extend the potential use of the beer garden.

It is proposed that the recital contained under supply of alcohol on and off premises:

<p>“Gardd gwrw (yfed yn unig) Dydd Llun i Ddydd Sul 11:00 i 21:00 awr”</p> <p>Cael ei ddileu a chael amod o dan Atal Niwsans Cyhoeddus yn ei le:</p> <p>“Ni fydd mynediad cyhoeddus (ac eithrio at ddibenion gwagio mewn argyfwng) o’r ardd gwrw rhwng 23:00 ac 08:00”.</p> <p>Cynigir bod y geiriad yn nodi yn glir gweithrediad a ganiateir yn yr ardd gwrw. It is believed that with the addition of the two further conditions, the licensing objective of prevention of public nuisance can be promoted.</p>

2. Measures recommended by the applicant to promote the licensing objectives

2.1 The measures recommended by the applicant are identical to the current licence, except for the additional conditions recommended above in clause 1.3.

2.2 Full details of the control measures in relation to the licensing objectives can be found in the operating schedule for the current licence in the appendix to the report.

3. CONSULTATION

3.1 The application was consulted upon and the following responses were received -

RESPONSES	REPRESENTATIONS
Local resident	Letter - objection
Public Protection Department	Objection
North Wales Police	No objection
Council Members	Two e-mails of objection

3.2 Neighbouring resident

A letter of objection was received from a neighbouring resident; with comprehensive details evidencing noise problems that have been associated with the property since 2001. It is noted that Marston's, the brewery company that owned the property at the time, commissioned a noise report and acted on the recommendations to make significant improvements in order to control the impact of noise from activities inside the building.

Furthermore, it is noted that there has been an improvement in noise control following the improvements; but there have been a few instances where a noise problem has arisen because the relevant licence conditions had not been implemented effectively. It is noted that significant noise problems have arisen in 2018 and that the resident and other neighbours have considered taking legal action.

The resident notes that use of the beer garden is the main source of noise problems that have arisen more recently since the beer garden was included on the licence. The resident accepts that it is reasonable to expect some noise when the beer garden is in use; but notes that there is a risk that the noise level will increase significantly by allowing the extension of the beer garden's hours of use to 23:00; which is likely to make the property more popular with customers.

The resident suggests that consideration can be given to compromising on the hours the beer garden is allowed to be used; as well as ensuring that effective and suitable licence conditions are in place to control the noise. It is recommended that licensed activities such as live music and entertainment should not be allowed outside as this will cause a noise nuisance. It is also recommended that access to the beer garden is controlled in terms of numbers, and that a specific area for smokers is ensured. It is noted that the proposed conditions offered by the applicant in respect of hourly checks are not going to ensure noise control.

3.3 Public Protection Department

A letter was received expressing objection to the application for a variation of the licence on the grounds that the service had received noise complaints in relation to the premises; and on the grounds that the proposed new conditions are not going to be sufficient in terms of noise control to ensure that the licensing objective of preventing a public nuisance is not undermined.

3.4 North Wales Police

There was no evidence from the Police to object to the application; nor were there observations.

3.5 Local members

Two e-mails from local members have been received objecting to the application on the grounds that the extension of the beer garden's hours of use will cause a noise nuisance, and that the property is located in the centre of a residential area. One of the members has confirmed that there have been noise complaints while the property was in the applicant's ownership; and that a history of poor management has led to noise problems. The members do not feel that the recommended measures will ensure that noise is controlled.

4. UPDATE

- 4.1** You will remember that the hearing for this application has been postponed since the 25th of February. The applicant noted that sufficient time had not been given in accordance with the regulations; to consider the representations of objectors and to allow for attempts at mediation on the proposed conditions to address the concerns of the objectors in respect of noise nuisance.
- 4.2** The applicant also noted that the official notice of hearing had not been received within the statutory time period; therefore it was agreed to postpone the hearing if it was not possible to progress the mediation process to its conclusion in good time .
- 4.3** At the time of writing this update ; it can be confirmed that the applicant continues to attempt to work towards amending the conditions with a view to attempting to reach an agreement with the responders.

5 RECOMMENDATION

It is recommended that this Committee **refuse the application** on the basis of the evidence of historical noise complaints, the representations received; and in accordance with the requirements of the Licensing Act 2003.

Please describe briefly the nature of the proposed variation (please read guidance note 2)

Application is made to vary the premises Licence.

On grant of the Premises Licence in 2005, conditions were imposed which were subsequently subject to an Appeal which was concluded on 27th January 2006. Since that date, following various formats of the Premises Licence, there have been periods of time when, the licence has been unclear as to the provisions of its operation but the historic restriction limiting use of the beer garden area are now set out not by way of condition but in respect of the times available for licensable activities despite, consumption not falling within that criteria.

Application is made to clarify the position and extend the potential use of the beer garden.

It is proposed that the recital contained under supply of alcohol on and off premises:

"Beer garden (drinking only) Monday to Sunday 11:00 to 21:00 hours"

Be deleted and be replaced with a condition under Prevention of Public Nuisance as follows:

"There shall be no public access (save for purposes of emergency evacuation) of the beer garden between 23:00 and 08:00".

It is proposed that the wording clearly identifies the permitted operation of the beer garden. It is proposed that use of the beer garden until 23:00 hours will not result in public nuisance arising.

The addition of conditions so as to monitor potential noise levels are as follows.

- *"For periods between 21:00 and 23:00 when the beer garden is in use, checks to be undertaken at hourly intervals and recorded, should noise levels be audible above background noise then, steps shall be taken to mitigate noise generated within the beer garden area"*
- *"Such records to be retained for a period of 6 months and be available for inspection to the Police and Licensing Officers."*

Additionally, it is proposed that the narrative under general at Annex 2 should be deleted providing no enforceable conditions but simply relates to the time of conversion of the licence in 2005.

No application is made to alter the hours of operation, hours of licensable activity nor the conditions endorsed upon the licence. It is believed that with the addition of the two further conditions, the licensing objective of prevention of public nuisance can be promoted.

Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 11)

The premises is restricted in respect of use of the beer garden which has been in place for some 16 years. It is considered that the restriction can be amended so as to allow increase use of the beer garden without adverse impact upon the licensing objective, prevention of public nuisance.

Such usage can take place by the addition of additional conditions set out at (d).

b) The prevention of crime and disorder

No further risks have been identified which need to be addressed.

c) Public safety

No further risks have been identified which need to be addressed.

d) The prevention of public nuisance

It is proposed that two additional conditions be added:

1. *"For periods between 21:00 and 23:00 when the beer garden is in use, checks to be undertaken at hourly intervals and recorded, should noise levels be audible above background noise then, steps are to be taken to mitigate noise generated within the beer garden area"*
2. *"Such records to be retained for a period of 6 months and be available for inspection to the Police and Licensing Officers."*

e) The protection of children from harm

The restrictions set out in the Licensing Act 2003 will apply. No unusual or additional risks of harm to children have been identified.

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.

- Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school or (iii) the health care provider for the hospital.
 - Recorded Music: no licence permission is required for:
 - any playing of recorded music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.

 - any playing of recorded music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school proprietor or (iii) the health care provider for the hospital.
 - Dance: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500. However, a performance which amounts to adult entertainment remains licensable.
 - Cross activity exemptions: no licence is required between 08.00 and 23.00 on any day, with no limit on audience size for:
 - any entertainment taking place on the premises of the local authority where the entertainment is provided by or on behalf of the local authority;
 - any entertainment taking place on the hospital premises of the health care provider where the entertainment is provided by or on behalf of the health care provider;
 - any entertainment taking place on the premises of the school where the entertainment is provided by or on behalf of the school proprietor; and
 - any entertainment (excluding films and a boxing or wrestling entertainment) taking place at a travelling circus, provided that (a) it takes place within a moveable structure that accommodates the audience, and (b) that the travelling circus has not been located on the same site for more than 28 consecutive days.
4. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).
 5. For example state type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
 6. For example (but not exclusively), where the activity will occur on additional days during the summer months.
 7. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
 8. Please give timings in 24 hour clock (e.g. 16.00) and only give details for the days of the week when you intend the premises to be used for the activity.
 9. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
 10. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
 11. Please list here steps you will take to promote all four licensing objectives together.
 12. The application form must be signed.
 13. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
 14. Where there is more than one applicant, each of the applicants or their respective agents must sign the application form.
 15. This is the address which we shall use to correspond with you about this application.

Application is made to vary the premises Licence.

Application is made to clarify the position in respect of use of external area for licensable activities and to extend the potential use of the beer garden.

It is proposed that the wording contained in the current premises licence under supply of alcohol on and off premises:

“Beer garden (drinking only) Monday to Sunday 11:00 to 21:00 hours”

Be deleted and be replaced with a condition under Prevention of Public Nuisance as follows:

“There shall be no public access (save for purposes of emergency evacuation) of the beer garden between 23:00 and 08:00”.

It is proposed that the wording clearly identifies the permitted operation of the beer garden. It is proposed that use of the beer garden until 23:00 hours will not result in public nuisance arising.

The addition of conditions so as to monitor potential noise levels are as follows.

- *“For periods between 21:00 and 23:00 when the beer garden is in use, checks to be undertaken at hourly intervals and recorded, should noise levels be audible above background noise then, steps shall be taken to mitigate noise generated within the beer garden area”*
- *“Such records to be retained for a period of 6 months and be available for inspection to the Police and Licensing Officers.”*

No application is made to alter the hours of operation, hours of licensable activity nor the conditions endorsed upon the licence. It is believed that with the addition of the two further conditions, the licensing objective of prevention of public nuisance can be promoted.

Gwneir cais i amrywio'r Drwydded Eiddo.

Gwneir cais i egluro'r sefyllfa mewn perthynas a defnydd ardal allanol ar gyfer gweithgareddau trwyddedig ac ehangu'r defnydd posib o'r ardd gwrw.

Cynigir bod y geiriad sydd wedi'i gynnwys yn y drwydded

eiddo cyfredol o dan gyflenwi alcohol ar safle ac oddi arno:

“Gardd gwrw (yfed yn unig) Dydd Llun i Ddydd Sul 11:00 i 21:00 awr”

Yn Cael ei ddileu a chael amod o dan Atal Niwsans Cyhoeddus yn ei le:

“Ni fydd mynediad cyhoeddus (ac eithrio at ddibenion gwagio mewn argyfwng) o'r ardd gwrw rhwng 23:00 ac 08:00”.

Cynigir bod y geiriad yn nodi yn glir gweithrediad a ganiateir yn yr ardd gwrw. Cynigir na fydd defnyddio'r ardd gwrw tan 23:00 yn arwain at niwsans cyhoeddus yn codi.

Mae ychwanegu amodau er mwyn monitro lefelau sŵn posibl fel a ganlyn.

“Am gyfnodau rhwng 21:00 a 23:00 pan fydd yr ardd gwrw yn cael ei defnyddio, dylid cynnal gwiriadau bob awr a'u recordio, pe bai lefelau sŵn yn glywadwy uwchlaw sŵn cefndir, yna cymerir camau i liniaru sŵn a gynhyrchir yn y ardal gardd gwrw ”

“Dylid cadw cofnodion o'r fath am gyfnod o 6 mis ac ar gael i'w harchwilio i'r Heddlu a Swyddogion Trwyddedu.”

Ni wneir cais i newid yr oriau gweithredu, yr oriau o weithgaredd trwyddedadwy na'r amodau a gymeradwywyd ar y drwydded. Credir, trwy ychwanegu'r ddau amod pellach, y gellir hyrwyddo'r amcan trwyddedu o atal niwsans cyhoeddus.
