

MEETING: PENSIONS COMMITTEE

DATE: 16 MARCH 2017

TITLE: TREASURY MANAGEMENT STRATEGY STATEMENT AND ANNUAL INVESTMENT STRATEGY FOR 2017/18

PURPOSE: To ask the pensions committee to adopt the strategies

RECOMMENDATION: RECEIVE THE REPORT FOR INFORMATION

AUTHOR: DAFYDD L EDWARDS, HEAD OF FINANCE

1. THE PENSION FUND'S INVESTMENT STRATEGY

In accordance with the Welsh Assembly Government's Statutory Guidance on Local Government Investments, which requires an authority to produce an Annual Investment Strategy, it is considered best practice for the Gwynedd Pension Fund (the "Fund") to adopt Gwynedd Council's Treasury Management Strategy Statement (TMSS) for 2017/18, as amended for the purpose of the Pension Fund (which is attached as Appendix A). Gwynedd Council's TMSS for 2017/18 was approved by the Full Council on 2 March 2017.

2. CIPFA GUIDANCE

The Fund will also have regard to the 2009 revised CIPFA Treasury Management in Public Services Code of Practice and Cross Sectoral Guidance Notes.

3. THE PENSION FUND'S CASHFLOW

The Fund has net inflows from its dealings with its members, so in any month, the income from contributions and transfers-in significantly exceed the pensions, transfers out and costs paid out. Once there is sufficient surplus cash it is transferred to one or more of the Fund's investment managers. Normally up to around £5 million is held back for cashflow purposes, in particular in respect of pension payments and funding calls from the private equity funds. However in the past, due to known commitments, there have been times when the surplus cash held in the Fund's bank accounts with Gwynedd Council has been over £20 million.

4. POOLING IN ORDER TO MAXIMISE RETURNS

Currently all the Fund's surplus cash is pooled with the cash balances of Gwynedd Council and invested with counterparties in accordance with Gwynedd Council's Treasury Management Strategy Statement. At the end of the financial year, Gwynedd Council pays interest over to the Pension Fund based on the Fund's daily balances over the year. This can continue if the Pensions Committee requests that the pension fund's surplus cash balances are pooled with the Council's cash balances. It is apparent that by pooling the fund can take advantage of economies of scale, and as a result can attract better interest rates, reduce bank costs and avoid the duplication of work within the

Council. The report approved by the Full Council on 2nd March 2017 included agreement to continue the pooling arrangement with the Pension Fund following any request from Pensions Committee.

5. COUNTERPARTIES

The Council Treasury Management Policy Statement and practice papers include a risk matrix which will be used to define the instruments and counterparties to be used for investment purposes rather than a defined list each year.

6. SCOPE

The proposed strategy will not deal with the cash held by the Fund's investment Managers for settlements.

7. RECOMMENDATIONS

- 7.1 The Pensions Committee is asked to approve the attached Treasury Management Strategy Statement and the Annual Investment Strategy for 2017/18, as amended for the Gwynedd Pension Fund (Appendix A).
- 7.2 The Pensions Committee is also asked to make a request to the Council (even though it is not a separate body) to allow the Pension Fund's surplus cash balances to be pooled with the Council's general cashflow from 1 April 2017 onwards.
