<b>Cabinet Member</b>	<b>Councillor Dyfrig Siencyn</b>
<b>Purpose</b>	<b>To submit a progress report on the work of Gwynedd and Anglesey's Public Services Board.</b>

## 1. Introduction and context

**1.1** The aim of Well-Being of Future Generations Act (2015) is to improve the economic, environmental and cultural well-being of Wales. The Act highlights seven well-being goals and five ways of working to give public bodies a common purpose.

**1.2** The Gwynedd and Anglesey Public Services Board was established in 2016, in accordance with the Well-being of Future Generations (Wales) Act 2015. A Public Services Board (PSB) for Gwynedd and Anglesey in collaboration.

**1.3** The PSB Wellbeing Assessment was published for the wellbeing areas of Gwynedd and Anglesey in May 2017, and following a series of consultation and engagement sessions the Well-being Plan was published in 2018. The Well-being Plan confirms the two objectives and six priority fields for which it was agreed that the Board could collaborate in order to ensure the best results for the residents of Gwynedd and Anglesey. Therefore, priority fields common to both Counties were agreed upon and the PSB will respond to these matters jointly across both Counties.

## 2. An update on the progress of the sub-groups

**2.1** The PSB agreed on priority areas to achieve the above objectives and decided to establish sub-groups led by Board members to lead on the work. Four sub-groups have been established under Objective 1 as follows:

**2.5** The above outline action plans were approved at the meeting of the Public Services Board on 13th March 2019. The sub-groups will continue to develop the above areas of work, and inform the PSB of their progress in June 2019.

**2.6** It was also noted during the meeting on 13th March that the Board and sub groups needed to take account of the work already being undertaken by the organisations to promote the above objectives, in order to identify and deliver on how the Board could add value to the work already undertaken. The sub-groups will review the organisations ' current arrangements as they consider their action plans.

### **3 Delivery**

**3.1** The five sub-groups noted above are accountable to the Public Service Board in relation to delivering any work commissioned. The sub-group leaders are expected to report back on progress every quarter to the Gwynedd and Anglesey Public Services Board. The period of delivering the objectives will be an opportunity for PSB partners to show their willingness and commitment to working collaboratively and innovatively on plans.

**3.2** The PSB acts in accordance with seven principles, namely the five national sustainable development principles noted above, together with two which have been added by the Board, namely 'The Welsh language' and 'Equality'. This means taking action in a way which seeks to ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.

#### **4. Scrutiny Arrangements**

**4.1** The Board's work will be checked regularly by the Scrutiny Committees of Gwynedd Council and the Isle of Anglesey County Council. Gwynedd Council's Scrutiny Committee scrutinised the PSB'S government arrangements in December 2018. The PSB will prepare an annual report in June 2019 to set out progress as it seeks to deliver the well-being objectives. A copy of every annual report will be sent to Welsh Ministers, the Commissioner, the Auditor General for Wales and the councils' scrutiny committees.

**4.2** The Well-being Act and the associated national guidance<sup>1</sup> set out 3 main roles for local authority's scrutiny committees in providing democratic accountability to the public services Board:

- Review the governance arrangements of the PSB
- Acting as statutory consultees on the well-being assessment and well-being plan
- Monitoring progress on the PSBs implementation of the well-being plan

**4.3** The Public Services Board is currently subject to scrutiny by the designated Scrutiny Committees of Gwynedd and Anglesey Local Authorities. At the establishment of the PSB it was agreed that a joint scrutiny panel between the two counties would be developed to undertake this work across Gwynedd and Anglesey. Scrutiny Officers from both the Isle of Anglesey County Council and Gwynedd Council will address the key actions in relation to the establishment of a joint panel over the coming months.

#### **5. Resources**

**5.1** Management and administrative support for the Board is provided by the Isle of Anglesey County Council and Gwynedd Council.

**5.2** Resources for delivering the work of the sub-groups will be the responsibility of all statutory members equally. The contributions will be agreed and reviewed by the Board as and when necessary.

#### **6. Recommendation**

**6.1** It is recommended that the Communities Scrutiny Committee observes:
