# Aberdyfi Harbour

August 2015  
VHF CH12 & CH16

The approaches to Aberdyfi have changed. The first four buoys remain the same. The light character for No.7 has changed to FL.G.2s. Buoys No.9 and No.11 have been removed and a Special Yellow Mark (YSM), identifying the Harbour entrance and a 4knot speed limit. Although passable either side, passing the YSM to starboard is advised when approaching and to port on departure.
