This is not a contract for design and the client and contractor shall be solely responsible for the accuracy and completeness of the information and documents before commencing work. Do not start from this drawing.

The drawing forms part of a planning application, which contains information only and should not be used as a construction drawing. The information shown is for reference purposes only. All dimensions should be thoroughly checked on site prior to commencement. It is the responsibility of the contractor to verify all dimensions and quantities shown on the drawing. All work shall be carried out in accordance with the Building Act of 1997. All work shall be carried out in accordance with the applicable Statutory Codes of Practice, Building Control requirements and applicable manufacturer's instructions. It is the client's responsibility to ensure the structural stability is thoroughly checked and verified by a structural engineer.
