7 Ensuring BID services are supplementary

There is no link between the amount of business rate collected by the Council and the amount it receives back from Central Government to deliver services in the area.

A BID, in comparison, generates revenue that is ring-fenced for the area in which it is collected, to be spent on projects for the benefit of businesses that pay the BID Levy. All services provided by the BID will be additional to those provided by the Council. Additionally is ensured through the production of a 'Baseline Agreement' which sets out the standard level of statutory service that is already provided for the BID area. This ensures that the BID levy only funds services and projects over and above this level.

8 the BID Ballot

The ballot will be managed by the Legal Services within Gwynedd Council and will run between 1st of February and the 25th of February, 2021. The Ballot will close at 5pm on the 25th of February 2021. The ballot will be a secret postal ballot of the eligible Hereditaments on the National Non-Domestic Ratings List at the time of the notice of ballot being issued. Where the occupiers of individual Hereditaments have nominated in writing the name of the person who should vote on their behalf, the notice of ballot and ballot papers will be sent to them.

9 Eligible businesses

The following will not be eligible for the BID Levy, or for the vote:

- Business units with a rateable value of less than £5,000;
- Advertising rights and kiosks;

All other types of business are eligible to vote in the BID ballot and to pay the BID Levy. Hereditaments (rated 'units' of business space) with a rateable value of less than £5,000 will be exempt from paying the Levy and therefore will not be eligible to vote in the ballot. Currently this means approximately c. 339 rateable properties will be eligible for the vote and to pay the BID Levy within Bangor

Businesses with a rateable value of less than £5,000 will be welcome to take up some of the BID's services by contributing on a voluntary basis at a rate to be agreed.

Where Hereditaments are unoccupied at the time of the notice of ballot, the owner will be entitled to vote in the BID ballot. The BID Levy Payer in cases of unoccupied Hereditaments will be the owner of the whole of the Hereditament. No three-month 'void' period will be given and those Hereditaments which are exempt from empty property rates and will not be exempt from the BID Levy. The BID levy is payable irrespective of part or all of the property being empty. The term 'owner' is defined in section 65(1) of the Local Government Finance Act 1998.

Occupiers within the managed shopping centre that are subject to a service charge for management will pay levy calculated at the lower rate of 1.25%.

Where an occupier or owner liable for the BID levy is a Registered Charity and is in receipt of Mandatory Rate relief (as prescribed by section 43 and 45 of the Local Government Finance Act 1988 (LGFA88)) except where the property is operated as a 'charity shop', that occupier or owner shall pay 50% of the levy they would otherwise be eligible to pay for that premises. For the avoidance of doubt, hereditaments operated predominantly as 'charity shops' will be charged 100% of the BID levy.

10 The BID Levy

The BID Levy is charged according to chargeable day procedures. Occupiers and owner-occupiers will pay the Levy at a fixed rate of 1.5% of rateable value, based upon the 2010 Rating List. The BID Levy will be charged at 1.5% of the rateable value of each Hereditament listed in the Ratings List. It will be based on the 2017 ratings list record for each hereditament in the BID area at the date when notice of ballot is given. In the first instance this is likely to generate around £148,000 per annum for the Bangor area.

New assessments brought into the Rating List will be liable to the BID levy as from the effective date provided in the Rating List. In the event that a hereditament is removed from the Rating List, liability for the BID levy will apply up to the day of deletion of the assessment from the Rating List”

The table below sets out the indicative Levy at 1.5% payable for businesses depending on their rateable value:

Indicative rateable value (£)	Indicative BID Levy (£)
5,000	75
10,000	150
50,000	750
100,000	1,500
500,000	7,500

What if I already pay rates and services charges as part of my rent?

Where the occupants of Hereditaments pay an inclusive rent or other charge for occupying space that includes the rates charge, the owner is liable to pay the BID Levy and, consequently, is eligible to vote in the ballot.

I'm thinking of taking on more premises in the BID area. Will I have to pay a levy on those when I move in?

Businesses which begin to occupy existing Hereditaments during the BID period will be liable to pay the Levy for their period of occupation, providing the Hereditament remains eligible for the BID Levy. The BID Levy will be extended to occupiers of Hereditaments built or first occupied in the BID area during the life of the BID, assuming that they are otherwise eligible. In these cases the Levy will be calculated on the rateable value entered in the most recent version of the Ratings List.

Occupiers of Hereditaments in new developments located within the BID boundary will also be liable for the BID levy, assuming that they are otherwise eligible.

11 Levy Collection

The Council will be responsible for collecting the BID Levy on behalf of the Bangor BID. The BID Levy will be payable in one instalment per year. Bills will be raised in March and payment will become due on 1st April each year. Bills raised throughout the year will be periodically billed with payment due within 28 days. Enforcement measures for the collection of the BID Levy are detailed under clause 8 above titled 'Procedures available to the Council for enforcing payment of the BID Levy'

The BID Levy is a mandatory charge and collection is enforceable in the same way as the business (non-domestic) rates. After 28 days non-payment of the BID Levy, a reminder will be sent giving a further 14 days to pay. If after a further 7 days from the payment date stated in the Reminder Notice the outstanding sum of the BID Levy has not been paid the Council shall make an application to the Magistrates Court for a Liability Order to recover the outstanding sum of the BID Levy. The BID Company will strongly pursue collection of the BID Levy, using all available enforcement mechanisms. Non-payment of the BID Levy will incur additional costs to the business in question.

The Council will apply to the Magistrates Court to recover its reasonable costs incurred in obtaining any order (currently estimated as £70.00 costs per liability order).

12 The cost of the BID ballot

The costs of the BID ballot will be met by Gwynedd Council.

13 Alterations to the BID arrangements

Only minor amendments can be made to the BID arrangements without seeking formal approval from the BID Members. BID arrangements may be altered without an alteration ballot, as long as there is no proposal to alter:

- The geographical area of the BID;
- The BID Levy in such a way that would:
 - (i) cause any person to be liable to pay the BID Levy, who was not previously liable to pay; or
 - (ii) increase the BID Levy for any person other than for inflation purposes as set out above.

Where the BID arrangements may be altered without an alteration ballot, the alteration will be made by a decision of Bangor BID Board, following consultation with Gwynedd Council.
