
P1	Enable more pre-decision scrutiny by aligning meetings of the scrutiny committees more closely with those of the Cabinet.
P2	Develop a more detailed Cabinet work programme and ensure its availability to the pre-meetings of the scrutiny committees.
P3	Apply the scrutiny committees' forward work programmes' selection criteria consistently.
P4	Develop resource plans to identify the officer and member input required to support / undertake the programmes of scrutiny and scrutiny investigation work.
P5	Improve the quality, consistency and timeliness of reports / information provided to the scrutiny committees.
P6	Provide feedback to the scrutiny committees of all recommendations – whether implemented or not – made to the Cabinet.
P7	Include an assessment in the Overview and Scrutiny Annual Report of how the work of the scrutiny committees has met the objectives in the Scrutiny Strategy and supported improvements to Council services.
P8	Ensure all regulators' recommendations and / or proposals for improvement are reported to, and monitored by, the appropriate scrutiny committee.
P9	Implement a new training and development programme for scrutiny committee members.
