OPINION OF THE STATUTORY OFFICERS

Monitoring Officer:

A risk monitoring system is an essential part of effective governance and is part of the Joint Committee's responsibilities. In considering the risk profile outlined in the table it is important that the Joint Committee gives detailed attention to the assessment and the response

Statutory Finance Officer:

I believe that GwE's risk register is in a standard format and includes appropriate information. I have worked with relevant officers to prepare the assessment and actions regarding financial risks and I will support GwE's Managing Director in managing those. Further comments on specific risks will be made orally, as necessary, at the Joint Committee meeting on the 26th of May.
