Cwestiwn i TRAFNIDIAETH CYMRU / Question for TRANSPORT FOR WALES

Dim ond I ddatgan siomedigaeth bod Gorsaf Talwrn Bach wedi bod ar gau cyhud oherwydd cyfyngiadau cofid 19.

Pe bae argyfwng tebyg yn bod eto yn y dyfodol agos be fydd tynged yr Orsaf yma?

A oes modd ymestun y platform l'r gogledd, er mwyn sicrhau bod digon o blatfom yma?

Just to express disappointment that Talwrn Bach Station has been closed for public due to the constraints of covid 19.

Should a similar crisis occur again in the near future what will be the fate of this Station?

Can the platform extended to the North, to ensure that there is enough platform here?

Cwestiwn i NETWORK RAIL/ Question for NETWORK RAIL

A oes modd uwchraddio yr Orsaf yma yn Talwrn bach – ei gwneud yn un stop, yn lle gofyn am l'r tren stopio yma?

Hefyd a oes posib gwneud gwelliannau l'r arosfan yma.?

Mae nifer o bobl yn ymweld gyda Llanbedr yn ystod yr haf, ac yn defnyddio y gwasanaeth, a bydda cael man aros gwell yma yn gymorth.

A oes unrhyw ddatblygiadau parthed gosod barriers ar draws y ffordd crossing Talwrn Bach. Hyn wedi ei addo ers blwyddyn neu ddwy bellach.

Can the Station at Talwrn bach be upgraded - make it a one stop, instead of asking for the train to stop here?

Also is it possible to make improvements at this stop?

Many people visit Llanbedr during the summer, and use the service, and having a better waiting area here would help.

Are there any developments regarding the installation of barriers across the road crossing Talwrn Bach. This has been promised for a year or two now.
