A consultation process is being held with schools regarding the Service Level Agreements offered in April 2023.

Schools have been invited to submit comments regarding the current SLAs in the above areas, as well as presenting their aspirations for the new SLAs for 2023-26. Any comments/desires will be passed on to the appropriate services in order to assist them in the task of drawing up new SLAs to be proposed for 2023-26.

It is recommended that the Schools' Finance Forum accepts the report.
