# Introduction

This Outline Audit Plan specifies my statutory responsibilities as your external auditor and to fulfil my obligations under the Code of Audit Practice. It also sets out details of my audit team and key dates for delivering my audit team's activities and planned outputs. I intend sharing a Detailed Audit Plan later in the year following the completion of my planning work. It will set out my estimated audit fee and the work my team intends undertaking to address the audit risks identified and other key areas of audit focus during 2023.

## My audit responsibilities

I complete work each year to meet the following duties:

- I audit Cyngor Gwynedd's financial statements to make sure that public money is being properly accounted for.
- Cyngor Gwynedd has to put in place arrangements to get value for money for the resources it uses, and I have to be satisfied that it has done this.
- Cyngor Gwynedd needs to comply with the sustainable development principle when setting and taking steps to meet their well-being objectives. The Auditor General must assess the extent to which they are doing this.

**Adrian Crompton**  
Auditor General for  
Wales

## **Audit of financial statements**

I am required to issue a certificate and report on your financial statements which includes an opinion on their 'truth and fairness' and an assessment as to whether the Narrative Report and Annual Governance Statement is prepared in line with the CIPFA Code and relevant guidance and is consistent with your financial statements and my knowledge of the Authority.

In addition to my responsibilities for auditing the Council's financial statements, I also have responsibility for:

- certifying a return to the Welsh Government which provides information about Cyngor Gwynedd to support preparation of Whole of Government Accounts;
- responding to questions and objections about the accounts from local electors (additional fees will be charged for this work, if necessary);
- auditing Cyngor Gwynedd's pension fund accounts (a separate audit plan has been prepared for the audit of the pension fund);
- the audit of five joint committees [where a separate plan is not produced for three of them]; and
- the certification of a number of grant claims and returns as agreed with the funding bodies.

I do not seek to obtain absolute assurance on the truth and fairness of the financial statements and related notes but adopt a concept of materiality. My aim is to identify material misstatements, that is, those that might result in a reader of the accounts being misled. The levels at which I judge such misstatements to be material will be reported to you in my Detailed Audit Plan.

I will also report by exception on a number of matters which are set out in more detail in our [Statement of Responsibilities](#).

## Performance audit work

I carry out a programme of performance audit work to discharge my duties as Auditor General in relation to value for money and sustainable development.

My local performance audit programme will continue to be delivered through a combination of an Assurance and Risk Assessment Project, bespoke local projects and thematic projects examining risks common to all councils.

# Fees and audit team

In January 2023 I published the [fee scheme](#) for the year, approved by the Senedd Finance Committee. This sets out my fee rates and also highlights the impact of the revised auditing standard ISA 315 on my financial audit approach. More details of the revised auditing standard and what it means for the audit I undertake is set out in **Appendix 1**.

I will provide an estimate of your fee in my Detailed Audit Plan by September 2023, following completion of my detailed risk assessment.

### Your engagement team:

Matthew Edwards	Engagement Director and Audit Director
Yvonne Thomas	Audit Manager (Financial Audit)
Carwyn Rees	Audit Manager (Performance Audit)
Erin Pollard	Audit Lead (Financial Audit)
Alan Hughes	Audit Lead (Performance Audit)

There are some threats to independence that I need to bring to your attention relating the Audit Manager (Financial Audit) and the Audit Leads (Financial Audit and Performance Audit). The three of them have acquaintances and/or family employed by the Council. As a result, they will either not be involved in any work in relation to the relevant services, or appropriate steps will be implemented to ensure that any potential conflicts are managed.

# Audit quality

My commitment to audit quality in Audit Wales is absolute.

I believe that audit quality is about getting things right first-time.

We use a three lines of assurance model to demonstrate how we achieve this.

We have established an Audit Quality Committee to co-ordinate and oversee those arrangements. We subject our work to independent scrutiny by QAD<sup>1</sup> and our Chair acts as a link to our Board on audit quality. For more information see our [Audit Quality Report 2022](#).

## Our People

The first line of assurance is formed by our staff and management who are individually and collectively responsible for achieving the standards of audit quality to which we aspire.

- Selection of right team
- Use of specialists
- Supervisions and review

## Arrangements for achieving audit quality

The second line of assurance is formed by the policies, tools, learning & development, guidance, and leadership we provide to our staff to support them in achieving those standards of audit quality.

- Audit platform
- Ethics
- Guidance
- Culture
- Learning and development
- Leadership
- Technical support

## Independent assurance

The third line of assurance is formed by those activities that provide independent assurance over the effectiveness of the first two lines of assurance.

- EQCRs
- Themed reviews
- Cold reviews
- Root cause analysis
- Peer review
- Audit Quality Committee
- External monitoring

<sup>1</sup> QAD is the Quality Assurance Department of ICAEW.
