# Introduction

This Outline Audit Plan specifies my statutory responsibilities as your external auditor and to fulfil my obligations under the Code of Audit Practice. It also sets out details of my audit team and key dates for delivering my audit team's activities and planned outputs. I intend sharing a Detailed Audit Plan later in the year following the completion of my planning work. It will set out my estimated audit fee and the work my team intends undertaking.

## My audit responsibilities

I am required to certify whether the Gwynedd Pension Fund's (the Pension Fund) financial statements are 'true and fair'. The audit work I undertake to fulfil my responsibilities responds to my assessment of risks. This allows us to develop an audit approach which focuses on addressing specific risks whilst providing assurance for the Pension Fund's financial statements as a whole.

I also have responsibility to receive questions and objections to the financial statements from local electors.

I do not seek to obtain absolute assurance on the truth and fairness of the financial statements and related notes but adopt a concept of materiality. My aim is to identify material misstatements, that is, those that might result in a reader of the accounts being misled. The levels at which I judge such misstatements to be material will be reported to you in my Detailed Audit Plan.

I will report by exception on a number of matters which are set out in more detail in our [Statement of Responsibilities](#).

**Adrian Crompton**  
Auditor General for  
Wales

# Fees and audit team

In January 2023 I published the fee scheme for the year, approved by the Senedd Finance Committee. This sets out my fee rates and also highlights the impact of the revised auditing standard ISA 315 on my financial audit approach. More details of the revised auditing standard and what it means for the audit I undertake is set out in **Appendix 1**.

I will provide an estimate of your fee in my Detailed Audit Plan following completion of my detailed risk assessment.

## Your engagement team:

<b>Matthew Edwards</b>	<b>Engagement Director</b>
<b>Yvonne Thomas</b>	<b>Audit Manager</b>
<b>Ben Hughes</b>	<b>Senior Auditor</b>

The only known threat to independence that I need to bring to your attention relate to the Audit Manager who has friends and relatives who contributes to or receive a pension from the Pension Fund. As a result, appropriate steps will be implemented to ensure that any potential conflicts are managed.

# Audit timeline

# Audit quality

My commitment to audit quality in Audit Wales is absolute.

I believe that audit quality is about getting things right first-time.

We use a three lines of assurance model to demonstrate how we achieve this.

We have established an Audit Quality Committee to co-ordinate and oversee those arrangements. We subject our work to independent scrutiny by QAD<sup>1</sup> and our Chair acts as a link to our Board on audit quality. For more information see our [Audit Quality Report 2022](#).

## Our People

The first line of assurance is formed by our staff and management who are individually and collectively responsible for achieving the standards of audit quality to which we aspire.

- Selection of right team
- Use of specialists
- Supervisions and review

## Arrangements for achieving audit quality

The second line of assurance is formed by the policies, tools, learning & development, guidance, and leadership we provide to our staff to support them in achieving those standards of audit quality.

- Audit platform
- Ethics
- Guidance
- Culture
- Learning and development
- Leadership
- Technical support

## Independent assurance

The third line of assurance is formed by those activities that provide independent assurance over the effectiveness of the first two lines of assurance.

- EQCRs
- Themed reviews
- Cold reviews
- Root cause analysis
- Peer review
- Audit Quality Committee
- External monitoring

<sup>1</sup> QAD is the Quality Assurance Department of ICAEW.
