

Gwynedd Pension Fund Training Plan 2024/25

It is best practice for Gwynedd Pension Fund officers, committee and board members to have appropriate knowledge and understanding of:

- the regulations and markets relating to pensions,
- the pooling of local authority pension schemes, and
- relevant investment opportunities.

We have set out below a list of training topics which have been provisionally planned during the 2024/25 financial year which are based on current topical priorities:
