

The North Wales Community Safety Partnerships focus (NW CSP)

Whilst the NW SCB is focusing at a regional level on mental health, hidden crimes and technology enabled crimes, the Board is asking local CSPs to focus on:

1. Reduce crime and disorder in the area

Having regard to the PCC objectives 'Prevent crime' and 'Reduce harm and the risk of harm'

- Reduce victim based crime
- Reduce ASB
- Support vulnerable people to prevent them becoming victims of crime
- Reduce repeat incidents of victim based crime and ASB for victims and perpetrators
- Work with MARAC to manage the levels of repeat victims of Domestic Abuse
- Deal effectively with high risk cases of Domestic Abuse and Sexual Violence
- Increase the confidence in reporting Domestic Abuse and Sexual Violence
- Increase awareness amongst young people of sexual violence

2. Combat substance misuse in the area

Having regard to the PCC objective 'Reduce harm and the risk of harm' and the strategic risk 'Drug and Alcohol Misuse'

- Reduce substance misuse

3. Reduce reoffending

- Adult reoffending
- Children and young people reoffending

The following 2015/16 plan aims at building on the extensive work which has been undertaken in recent years which has led to a significant reduction in Crime and Disorder in the counties of Gwynedd and Anglesey. The plan will focus on work fields which need to be developed during 2015/16, based on the strategic assessment, and also on the guidance and priorities established by the Regional Board. However, we will also note the work fields which have already been established, but will continue to contribute towards our focus and priority fields.

The Gwynedd and Anglesey priority work areas linked to the PCC Plan and NW SCB community safety agenda are:

1. Reduce crime and disorder in the area. 2. Combat substance misuse in the area. 3. Reduce reoffending
