5. Please explain below why you believe the Standards Committee should grant your application.

There is increasing concern in my constituency regarding the proposed status of the new campus as a Church school. I am very eager to take part in the various campaigns to measure the true extent of this concern, e.g. through petitions, writing letters etc.

There is a strong and obvious desire in the area to look again at the situation and to consult on the status of the new school. I have a strong view on what would be best for the area and I would like to take part in a campaign according to the wishes of my electors.

(please continue on a separate sheet if necessary)

Signed D. Morgan Dated 3.1.17

(h) the business which is to be considered relates to the finances or property of a voluntary organisation of whose management committee or board the member is a member otherwise than as a representative of the relevant authority and the member has no other interest in that business provided that any dispensation shall not extend to participation in any vote with respect to that business; or
