

ANNUAL GOVERNANCE STATEMENT

This statement meets the requirement to produce a Statement of Internal Control pursuant to Section 5 of the Accounts and Audit (Wales) Regulations 2014.

Part 1: SCOPE OF RESPONSIBILITY

GwE was established as a Joint Committee to be a regional school effectiveness and improvement service by the 6 north Wales local authorities in 2013 by undertaking the functions that are detailed in an agreement between the Joint Committee and the authorities. In the agreement, the Councils have agreed to work together in a partnering relationship to establish a Regional School Effectiveness and Improvement Service to be accountable to, and undertake the statutory functions of the Councils in respect of school improvement and effectiveness.

The Councils' vision was to establish a Regional School Effectiveness and Improvement service to be accountable to, and undertake the statutory responsibilities of, the six local North Wales Authorities in respect of the duties to monitor; challenge; provide support services for curriculum continued professional development and management of schools, and in addition provide services that can be commissioned by schools and local authorities.

GwE is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

In discharging this overall responsibility, GwE is also responsible for putting in place proper arrangements for the governance of its affairs, facilitating the effective exercise of its functions, and which includes arrangements for the management of risk and adequate and effective financial management.

Part 2: THE PURPOSE OF THE GOVERNANCE FRAMEWORK

The governance framework comprises the systems and processes, and culture and values, by which GwE is directed and controlled and its activities through which it accounts to, engages with and leads the community. It enables the authorities that are part of the GwE to monitor the achievement of its strategic objectives and to consider whether those objectives have led to the delivery of appropriate, cost effective services.

The system of internal control is a significant part of that framework and is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of GwE's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

The governance framework described above has been in place at GwE for the year ended 31 March 2016 and up to the date of approval of the statement of accounts.

Part 3: THE GOVERNANCE FRAMEWORK

3.1 Membership

The Councils have entered into an Agreement to establish and implement GwE pursuant to the powers conferred on them by Section 9 of the Local Government Wales Measure 2009, Section 2 of the Local Government Act 2000 Sections 101 and 102 of the Local Government Act 1972 and associated Regulations.

Membership of the Joint Committee includes one member each from Isle of Anglesey County Council, Gwynedd Council, Conwy County Borough Council, Denbighshire County Council, Flintshire County Council, and Wrexham County Borough Council with voting rights.

The Statutory Chief Education Officers, one from each local authority in north Wales, are currently officer members without voting rights.

One Diocese Representative, one Primary Schools Representative, one Secondary Schools Representative, one Special Schools Representative and one Governor Representative are co-opted non-voting members.

3.2 Functions

The Councils have signed an agreement on 13 February 2013 to formalise each of their roles and responsibilities in respect of the Service, and have appointed Gwynedd Council the Host Authority for operating and maintaining the Service in accordance with the terms of the agreed Final Business Case.

The agreement is comprehensive, and includes information on governance and administrative aspects of the Joint Committee. The agreement is the foundation of GwE's governance framework.

3.3 Principles

By signing the agreement, the Councils have agreed that they would maintain their relationship in accordance with the following principles of good governance:

- **Openness and Trust**
In relation to the Agreement the Councils will be open and trusting in their dealings with each other, make information and analysis available to each other, discuss and develop ideas openly and contribute fully to all aspects of making the joint working successful;
- **Commitment and Drive**
The Councils will be fully committed to working jointly, will seek to fully motivate employees and will address the challenges of the Service with drive, enthusiasm and a determination to succeed;
- **Skills and Creativity**
The Councils recognise that each brings complementary skills and knowledge which they will apply creatively to achieving the Councils' objectives, continuity, resolution of difficulties and the development of the joint working relationship and the personnel working within it;
- **Effective Relationships**
The roles and responsibilities of each Council will be clear with relationships developed at the appropriate levels within each organisation with direct and easy access to each other's representatives;
- **Developing and Adaptive**
The Councils recognise that they are engaged in what could be a long term relationship which needs to develop and adapt and will use reasonable endeavours to develop and maintain an effective joint process to ensure that the relationship develops appropriately and in line with these principles and objectives;
- **Reputation and Standing**

The Councils agree that, in relation to this Agreement and the Service generally, they shall pay the utmost regard to the standing and reputation of one another and shall not do or fail to do anything which may bring the standing or reputation of any other Council into disrepute or attract adverse publicity to any other Council;

- Reasonableness of Decision Making

The Councils agree that all decisions made in relation to this Agreement and the Service generally shall be made by them acting reasonably and in good faith;

- Necessary Consents

Each Council hereby represents to the other Councils that it has obtained all necessary consents sufficient to ensure the delegation of functions and responsibilities provided for by this Agreement; and

- Members and Officers' Commitments

Each Council shall use its reasonable endeavours to procure that their respective members and officers who are involved in the Service shall at all times act in the best interests of the Service, and respond in a timely manner to all relevant requests from the other Councils.

Part 4: EFFECTIVENESS OF THE GOVERNANCE FRAMEWORK

GwE has responsibility for conducting, at least annually, a review of the effectiveness of its governance framework including the system of internal control.

Gwynedd Council is the Host Authority of the Joint Committee. As a result, therefore, reviews of the effectiveness of the Local Code of Governance, the Constitution and the system of internal control of that authority will also incorporate the basis of the Joint Committee's governance.

In January 2015, a review of the service was conducted by Wales Audit Office & Estyn. The purpose of the review was to gain an early view of the progress of the arrangements to achieve school improvement through regional education consortia. The report was produced in June 2015.

The report and response to the findings were presented to the Joint Committee on the 15th of July 2015.

Objectives

A Full Business Case has been provided for the Service, dated March 2012, with the business case showing evidence that clear objectives have been established and are SMART and that an appropriate work programme is in place.

A 3 Year Business Plan is in place for the service which has been approved by the Joint Committee & Welsh Government. The Business Plan ensures an appropriate work programme is in place & monitoring reports are presented to the Joint Committee at their meetings.

Structure, Roles and Responsibilities

The Joint Committee has been established, with appropriate membership.

There is a clear organisational structure for the service, but after receiving the new national model, there will be changes to the structure in the future due to changes in expectations on the part of the Service.

The terms of reference of the Joint Committee set out some of its responsibilities together with a list of members of the Joint Committee and voting rights. The role of the Authorities has been identified in the Agreement.

As a result of the adoption of the National Model For Regional Joint Working the governance structure of GwE has been the subject of a review. This has involved creating an Advisory Board and a Management Board and review of the structure of the Joint Committee. Elements of the structure are already functioning and will be fully adopted once approved by the Executives of all Partners and lead to a revised Inter Authority Agreement.

Leadership

The Joint Committee met on the following dates:

- 15/07/15
- 23/09/15
- 12/11/15
- 27/01/16
- 24/02/16

Risk Management

GwE's risk register is regularly updated. The relevance of the risk register will be kept under review.

Performance Management Systems

Under the agreement, the Service's Managing Director will report annually to the Joint Committee and to each individual Council on the performance of the Service in undertaking Functions and achieving Key Service Objectives.

The Annual Report for 2014/15 was presented to the Joint Committee at their meeting on 12/11/15.

User Needs and Complaints

The Service follows Gwynedd Council complaints procedure. During 2015/16 no complaints have been received.

In addition, it is possible for schools to provide feedback via the User Group that has been established to provide support to the Joint Committee as well as challenge. Appropriate representatives from secondary and primary schools of the 6 authorities belong to the user group.

The User Group is operating effectively because:

- It has the right to report and make recommendations to the Joint Committee on any matter within the scope of functions of the Service.
- The group met on the following dates:
 - 05/05/15
 - 09/07/15
 - 29/10/15
 - 01/12/15
 - 01/03/16
- The group includes:
 - 6 Secondary representatives, one from each Authority
 - 6 Primary representatives, one from each Authority
 - 1 representatives of Special Schools
 - School Governors - 1 representative per Council.

Corporate Policies

At the balance sheet date, the process of reviewing the corporate policies by Human Resources, GwE and the Unions was continuing.

We have been advised on the implications of the result of the **review of the effectiveness of the governance framework** by GwE, and that the arrangements **continue to be regarded as fit for purpose in accordance with the governance framework**.

In response to the National Model, changes have been implemented & are in the process of being formalised into the revised Inter Authority Agreement.

Part 5: SIGNIFICANT GOVERNANCE ISSUES

The processes outlined in previous sections of this statement describe the methods used by GwE to identify the most significant governance issues that need to be addressed.

GwE does not believe that any such issues have arisen during the assessment of its governance arrangements that warrant attention in this Annual Governance Statement.

Following the review of the service by Wales Audit Office & Estyn in January 2015, the report & response to their findings were presented to the Joint Committee on the 15th of July 2015.
